HATS OFF TO OUR RESCUE SQUAD

Many times over the past week the siren over the Village Hall has sounded and within minutes a group of men appear and then disappear in a speeding vehicle to answer the distress call. This siren is not calling the village firemen, but rather it is sounding out for a group of men known as the Antioch Rescue Squad.

This is not a new scene in the Village, but rather it is one that has been reinacted hundreds of times over the past 30 years. The Antioch Rescue Squad was founded in 1939 and was the result of a lot of brainstorming on the behalf of Herman Rosing, Herman Holbek, and L.D. Powles, who were Village Firemen.

Rosing recalls how he and Clarence Shultis used to help out with the drownings as did most of the firemen. However, at the time they were not equipped with the knowledge or the experience to help in many of the instances. Howard Gately and Art LaCrosse of the Kenosha Rescue Squad used to answer Antioch's call for professional assistance. Kenosha was the only city in the area that maintained a squad and Antioch's Firemen decided it was about time they got one of their own. Rosing, Holbek and Powles, then travelled to Kenosha and took the needed First Aid courses. Holbek also went to work and collected the needed revenue through donations to purchase the squad's first truck. Once these men were fairly well organized they got a group together and went to work.

Township Supervisor, Red

Murrie, belonged to this first crew of men and worked with the squad for some 20-25 years. He recalls the Squad operated under many handicaps due to insufficient equipment, although they endeavored to do the best job possible, working with what they had. A crew of about 8-10 men answered about 100 calls a year and most of these were heart attacks and car accidents. There were quite a few drownings in those days and the squad took a special course on the resuscitator. The members also took an advanced First Aid course, but special courses were not available in many areas, such as heart care, etc.

Murrie commented, "The Antioch Rescue Squad performed a much needed service and was a very important part of the community."

It has not merely gotten older, rather it has gotten better, it has grown and prospered over the years while maintaining its position of importance.

Some things remain the same, however. The squad is still made up of volunteer men, 17 to be exact. It is still divorced from the fire department and continues to support itself through donations. Many years ago the squad moved into the back of the Village Hall, when the fire department changed their quarters. They now answer on the average of two calls a day. In 1972 they answered a total of 662 calls, many dealt with accidents and

Mayor Raymond P. Toft is once more the Progressive People's Party Candidate for Mayor. On Page 7 of this paper is a biography of the members of his party as presented to us. Next week's issue will have the answers of the candidates to some vital questions concerning the future of Antioch. (Staff Photo)

INEVITABLE GROWTH

"Growth is inevitable in Lake County." The preceding statement is one of the few opinions that was generally agreed upon at the Lake County Home Builders Association 1973 Community Development Conference on Saturday, February 10.

Many persons from Antioch attended the meeting including Mayor Ray Toft, Village Clerk Marilyn Sterbenz, candidates for Mayor, Mr. Bob Wilton and Mrs. Marge Nelson, Mike Haley,

Don Amundsen and many more.

Many aspects of community development in Lake County were discussed by such prominent speakers as Dr. Robert Ducharme, Deputy Director of the Northeastern Illinois Planning Commission, Fred Burnham, Executive Vice-President of the Illinois School Consulting Service, Naperville, Robert J. Degen, Director of the Lake County Public Works department, etc.

In the following weeks the ANTIOCH NEWS will present portions of the pertinent topics that were touched on at the meeting. These topics include: "Is Development in Lake County Inevitable?", "Professionals Look at Development", "Benefits of Controlled Development", "Problems Facing Developments, i.e. Schools and Sewers," and "Good Developments Work."

NOTICE

The last day to purchase Village Stickers is Feb. 15th, which is only one more day away. After that date the stickers will cost \$8 instead of the regular \$6.

Antioch's Village Clerk, Marilyn Sterbenz, had a conference on the subject of Village government with Mayor David Frook and Village Clerk Lisa Clevén. Will the real Village Clerk please stand up! (Staff Photo)

MAYOR FOR A DAY

Mayor David Frook, of the Antioch Grade School's 5th grade, said in an interview this week, the he had trouble keeping the Village Trustee's in line as there was a lot of noise and fooling around. However, Mayor Frook enjoyed his job and thought that it was fun to be a Mayor.

Village clerk, Lisa Clevén, liked her job too. She said, "It is really the easiest job, all you have to do is write down what everybody says."

The Village Lawyer was thought to have a more complicated job as Lawyer, Pat Koenig said that it was his job "to tell the Village Board they are going against the law."

The Village Engineer, Phillip Portwich, is also a busy man. He said, "My job is to help them clean up the city sewages and to put in water pipes. I also have to do some planning and electrical work." (Portwich asked if feeding the prisoners was also part of his duties and was somewhat disappointed to find that it wasn't.

The Trustees were: Thomas Hupfauer, who incidently never goes by the name of Sunflower and an apology is due to Thomas who was unintentionally harassed by the press, Jay Heick, Tony Mezzano, Laurie Pochrnick, Tom Proctor and Lee West.

If this Antioch Mayor and his Village board sound a bit unusual, it can be further noted that the Village Lawyer apparently was not doing his job as minutes later, Chief Wells had the mayor and his entire

party in jail.

If you are now more confused, it may be wise to note that the Mayor and his party are all part of Mrs. Dittman's fifth grade class, who toured the Village Hall and the Police Station last weekend, and have all been released from the Village Jail since then.

Village Clerk, Marilyn Sterbenz, greeted the class when they visited the Village Hall, she gave them a tour of the facilities and an informative talk on Village government. She also appointed a mayor, village clerk, lawyer, etc., and explained to them their respective jobs. Mrs. Dittman's class has been studying Federal and State governments and are now involved with the local level, and are planning to follow the up-coming Village elections.

A trip to the Police Department was another one of the highlights of the day. Chief Wells, in his usual good humor, showed the class around the police department and even let them see the inside of the jail. The students, during a thought provacative interview, said they saw their friend "Freddy the Policeman", at the station and all of the students agreed Garnet Cook, the dispatcher, has by far the hardest job in the department. They observed her job looked very complicated, but they did not learn too much more about it as Garnet was tied up at the time.

Chief Wells also gave the group an informative talk about drugs and told them two important words to remem-

ber, "Don't Start".

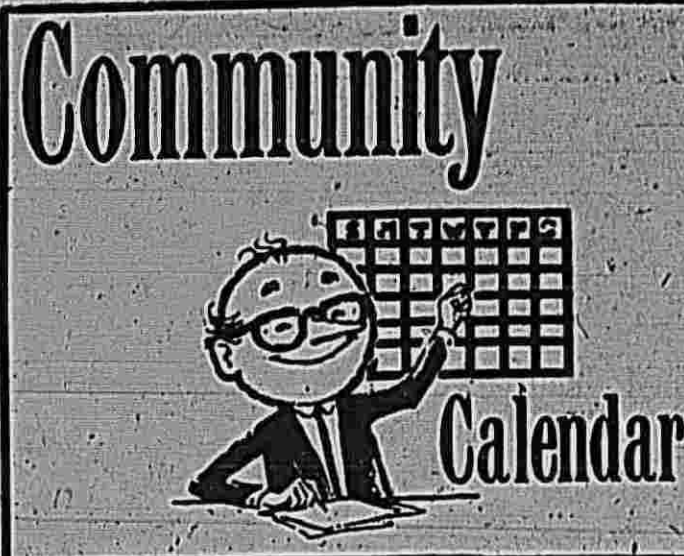

Mrs. Dittman's fifth grade had much more to say about the Village Hall and the Police Department, but the interview was cut short as the class had another appointment - they were getting ready to take on Mrs. Willret's volleyball team.

A WORD ON TAXES

April 16th, the deadline for filing your income tax, is only a little more than a month away. If you find you are going to have trouble making the deadline or you are in need of professional help and cannot afford it, then it would be advisable to make arrangements to see Mr. Ralph Lewis at the City Hall in Waukegan.

Mr. Lewis is employed by the State of Illinois to supply professional assistance to Lake County residents in filing their income tax.

There is no charge for this service. Mr. Lewis can be reached at the Waukegan City Hall, Monday thru Friday from 9 to 5 or call 623-2500.

CHAMBER MAKES "JOBS AVAILABLE" PROGRAM OPERATIONAL

The Antioch Chamber of Commerce is pleased to announce that the "JOBS AVAILABLE" List for the Antioch area is now operational. The initial listing contains thirteen firms offering twenty-five jobs. Antioch's two banks are donating the personnel to answer your inquiries. If you wish to find a job in the Antioch area you may call either Mrs. Jean Irving at the First National Bank of Antioch (395-3111) or Mrs. Carolyn Blanchette at the State Bank of Antioch (395-2700). They will be glad to try to match your

qualifications and experience with the openings listed. There is no fee or obligation for this service, so call now and join the growing community of Antioch.

This service is being provided by the Chamber of Commerce and the banks free of charge to the businessmen as well. It is hoped that it will eliminate the time lost by both groups when there are no openings within the business. To list on the service, a businessman simply has to call the Antioch Chamber of Commerce office at 395-3381 between the hours of 9:00 a.m. and Noon.

A CHANGE OF PACE

Apathy has become a familiar word within the last few years. People just don't want to get involved. In St. Louis a young girl was brutally murdered, while surrounding residents pulled their shades and didn't even do as much as call the police. Consequently the girl died in a pool of blood, no one knew a thing about it and her murderer still roams the States.

Accidents happen every day on the Chicago highways. Everyone slows down to a gawk, but few stop to help. In a recent accident on one of these highways, a young man's auto spun around in the snow, hitting another car and throwing the first car over the guard rail. The young man was thrown out of the car and laid along the rail for 20 minutes before professional help arrived. No one stopped to help, they didn't care, they didn't want to get involved, they were in a hurry and on and on....

Apathy can be witnessed in the statistics of the thousands of people, who failed to vote in the Presidential elections. And it can be seen on the personal level, when people just don't seem to listen or to care about anything unless by some chance it will effect them directly and drastically.

Apathy should not be used as a universal or local label in which all the citizen's fall under. There are many people who really care and have exchanged "an eye for an eye" for "do unto others as you would have them do unto you".

For instance the members of the Antioch Rescue Squad give freely of themselves to help others everyday, be it day or night. The sacrifice these men have made is great, but they have asked nothing for their life-saving, much needed efforts. In fact in writing a story this week on the Squad they asked that names be withheld.

Many of the parents have worked without pay or credit to salvage the discontinued programs at the grade school. They feel these programs are vital to their children's education and have felt strong enough to do something about it. Mike Ozga, who is the President of the Band Parents Association, does not even have children in the grade school, but he has seen the good effect the band had on his own children and he is willing to see that others get the same opportunity.

Mrs. Dittman thought enough of her class to give them a first hand experience of Village Government and the police station. Rather than talk about it she took some action and Chief Wells and Marilyn Sterbenz freely gave their time.

Don't let that brand of apathy drift over your life. There has to be an original to have an imitation. Be that original and there are bound to be some imitations.

OUR CONGRESSMAN

The Conferences on European Security and Cooperation taking place in Helsinki, Finland including the recent meeting of European, American and Canadian parliamentarians (in which this "parliamentarian" participated) - are intended to produce an atmosphere conducive to a generation of peace. The Soviets would like to leave the impression that a Summit Conference or single agreement could wrap up the entire problem - on both sides - can and must be reduced. But these results require careful planning and detailed changes in attitudes and relationships for the goal of peace and cooperation to be accomplished.

We have moved already from the "cold war" to a so-called "detente" - or relationship of mutual respect. However, in order to attain "cooperation" and "security" many changes must occur.

The Helsinki meetings have divided the existing problems into 3 general categories i.e. (a) Economic (b) Education, Scientific and Cultural exchanges, reciprocity agreements regarding professional degrees and academic diplomas, increased standards of excellence in all countries - and above all - expanded knowledge of and respect for cultural achievements and values - these hold promise of ever closer and more

harmonious relationships.

Finally, reduction of arms on both sides of the iron curtain is vital to avert another European conflagration. The eventual agreement should be as its title implies, for a "Mutual and Balanced Reduction of Forces" (MBRF). There are two principal obstacles which must be overcome in arriving at a total withdrawal of Soviet and U.S. forces from the territories of their respective European "allies".

The Soviet forces in Poland, East Germany, Czechoslovakia and elsewhere in Eastern Europe are actually armies of occupation - placed in those countries by the Soviets to prevent them from asserting their "independence" - as Czechoslovakia attempted to do in 1967.

American forces are committed in Europe in accordance with the NATO alliance. For the United States to unilaterally withdraw would suggest a lack of concern for the defense of

Western Europe - and might even be interpreted as a surrender of our European allies to Communist domination.

The Helsinki meetings, as well as related talks taking place in Vienna, are intended to resolve the security problems of both the East and West - and permit a reduction in defense spending on the part of the Soviet bloc nations as well as those of the Free World.

This ultimate goal is not an easy one - as the recent Interparliamentary Conference in Helsinki revealed. Many deep-seated suspicions, historic hostilities and political maladies must be healed before the sought-after "generation of peace" can be assured.

The various meetings between representatives of the nations involved - many of whom have never before sat down together - are an important prelude to enduring peace and understanding in Western Europe.

Dear Patrons:

Tony and Lil Lomma, owners of Tony and Lil's Restaurant and Lounge, are proud to announce that their daughter, Toni, son, Tony Jr., and son-in-law Doug are now operating and managing Tony and Lil's.

The menu at Tony and Lil's is much more than just adequate. Steaks, Seafood, Italian Specialties, and Pizza made to your order, are all well prepared and served with the same true family pride.

For a new touch, we are now serving an assorted relish tray and garlic bread with all dinners. To end a truly satisfying meal, don't forget to "try" our famous Cannolis.

*Thank You for Your Patronage
Toni, Doug, & Tony Jr.*

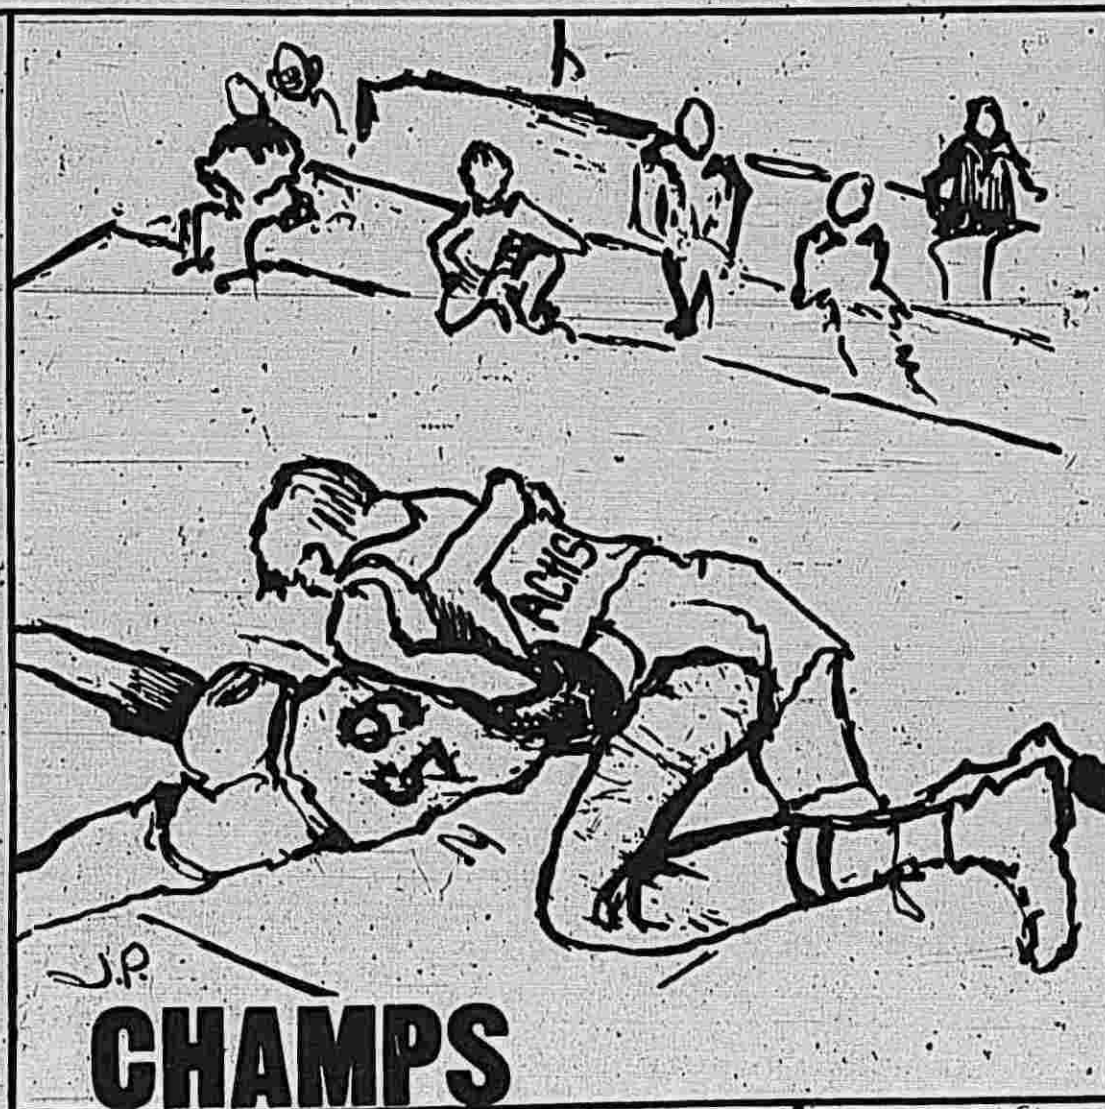

Dear Friends:

I want to thank you for the package you sent with all the useful items in it. The division thought the candy and cookies were great. Those decks of playing cards were really appreciated too. Unfortunately I don't know you personally but it is a good feeling to know there are those who stand behind us and what we're doing, in the States. We can understand an attitude of unfriendliness in some foreign countries but when we read about it back in the papers from home it is discouraging. We all hope for world peace but understand that it takes more than shouting in the streets to accomplish it.

We're steaming in the area of Cuba now and should get back to our homeport in a couple of months. A cruise to the Mediterranean area is expected next.

The guys in the division and myself thank you very much for the gifts and your support.

Sincerely,
Bob Wynn HT3
USS Pawcatuck

When the Grade School referendum failed last Spring many programs had to be cut from the curriculum. Basketball, wrestling, cheerleading and band were among the programs the school was forced to drop in the financial squeeze to make ends meet.

Most agreed that it was a shame to see the programs fall by the way-side and many decided to take active steps to continue them. Through a lot of painstaking efforts the parents have been able to re-instate these programs on their own. Most of these programs are in a somewhat altered form, but they have at least survived another year. The parents have both organized and supervised the programs, renting the facilities and needed equipment from the school. The following is a synopsis of the various programs.

The band program has always been a popular one in the grade school. Nineteen years ago, Mr. George Olisar, took the program under his wing as the music teacher. Lessons were given in the cafeteria and all of the band equipment was housed in one locker. The band grew and in Mr. Olisar's 19 years he was to see 17 First Places out of 18 district performances. On the State level, Olisar was to see 16 first places out of 18 performances.

The young band was to be asked to play all over the United States. In the summer of 1967 they travelled to Canada to play for Expo '67. They were invited by Governor Kerner to play in Springfield; they travelled to Washington D.C. and played in a concert on the Capitol steps.

They gave a concert at the Walter Reed Hospital and took a side trip to Gettysburg. Last year they were requested to play for Congressman McClory.

Things have now changed and this year they are hoping to play in the Antioch Memorial Day Parade and hopefully for the grade school graduation. There are now approximately 95 young people in the band compared to 225 members in the past. Actually, the band would be non-existent today if it wasn't for the Band Parents Association.

The new program began in January and the band members now meet every Tuesday and Thursday from 4:15 - 5:45. Mr. Olisar is now being paid by the Band Parents instead of by the school and he instructs the students who have had lessons in the past. There are no new students in the class, due to the lack of time and money. Because of this lack of training time, soon the program will have to come to a halt and the Band Parents Association will once again have to start from scratch.

Mr. Mike Ozga is President of the Band Parents Association. He does not have any children who are in the band, but he said he hated to see the program discontinued when it has been so good for the children in the past. Ozga has two children, who are now in college, but who had belonged to Mr. Olisar's band in their grade school days.

Mr. Ozga said that the parents worked very hard to see that the band is continued. He also mentioned that special due should be given to Mrs. Lillian

Along the Way with

Annie Mae

Happy Valentines Day - May the sun shine on all loved ones near and far.

"Dear Annie Mae Please don't try to find out or mention my name, but can you please wish a very joyous 75th birthday to Robert J. Wilton, Sr. on February 15th from an old friend. We were school mates.

Thank you Hope he's out of the hospital and doing well. I'm taking a stretch in the DeKalb Hospital this week but will soon be okay." (This lovely note was sent to us - thank you and good luck whoever you are.

Our sincere condolences to Don and Diane Walsh, owners of Walsh's All Seasons, on the loss of their first baby.

We are also saddened and send our condolences to Gladys Wallace who lost her husband Harry on Thursday and to Mr. George Good who lost his wife on Saturday. Our hearts go out to all their loved ones.

Congratulations to LeRoy Gallagher, Rte 2, Antioch, on coming in 2nd place with a 580 at the Lake County Farm Bureau bowling tournament. The tournament was held on January 28th with over 60 entries. Now he will go on to the district tournament on Feb. 16th. Good Luck LeRoy!

Sickness is surely hitting Antioch this winter. Frank McCupido will be in Victory Memorial Hospital for a stay. Also, Rev. Donald Cobb is fighting a bug and everyone wishes him a speedy recovery so he and his wife can make their trip to Israel. Hear Mr. Louis Shultis and John Horton had a stay in the hospital too. If we have missed anyone, we wish you all a great big GET WELL!

Mrs. Lottie Vejvoda and George Murrie are celebrating Valentines Day with birthdays. We missed Charlie Ranker who blows out the candles on the 13th. We wish Marge Gaa a "happy" on Feb. 15th and look at the list of Feb 18th birthdays - Jean Proctor, Reggie Syzanski, Kathy Toft, John Delaney, Gert Ipsen, Tammy Jean Dowell, Don Zeaman and Sharon Eudean. This has GOT to be a record! Sue Horton follows with her birthday on the 19th and Emma Roblin, Clarence Haase, Evelyn Freund and Rodney David Dunlap on the 20th. WOW what happens in late June!

Don't forget the big wrestling district tournament this Friday and Saturday at ACHS. Our wrestlers are really something to be proud of. Come and watch them.

Then top off the evening and make your reservations to see Plaza Suite at the PM & L Theatre. Opening night played to a full house and was thoroughly enjoyed by all. Special praise goes to Fred Holbert who played Mr. Nash and to Donna Mascari who played his wife. It was sure a fast moving, entertaining performance - so be sure to see it!

There was a jam-packed gymnasium on Friday night for the Round Lake-Antioch basketball game. Our sophomore team played a thrilling game and won - but sad to say, the varsity lost in an overtime play. We're sorry about that but knowing

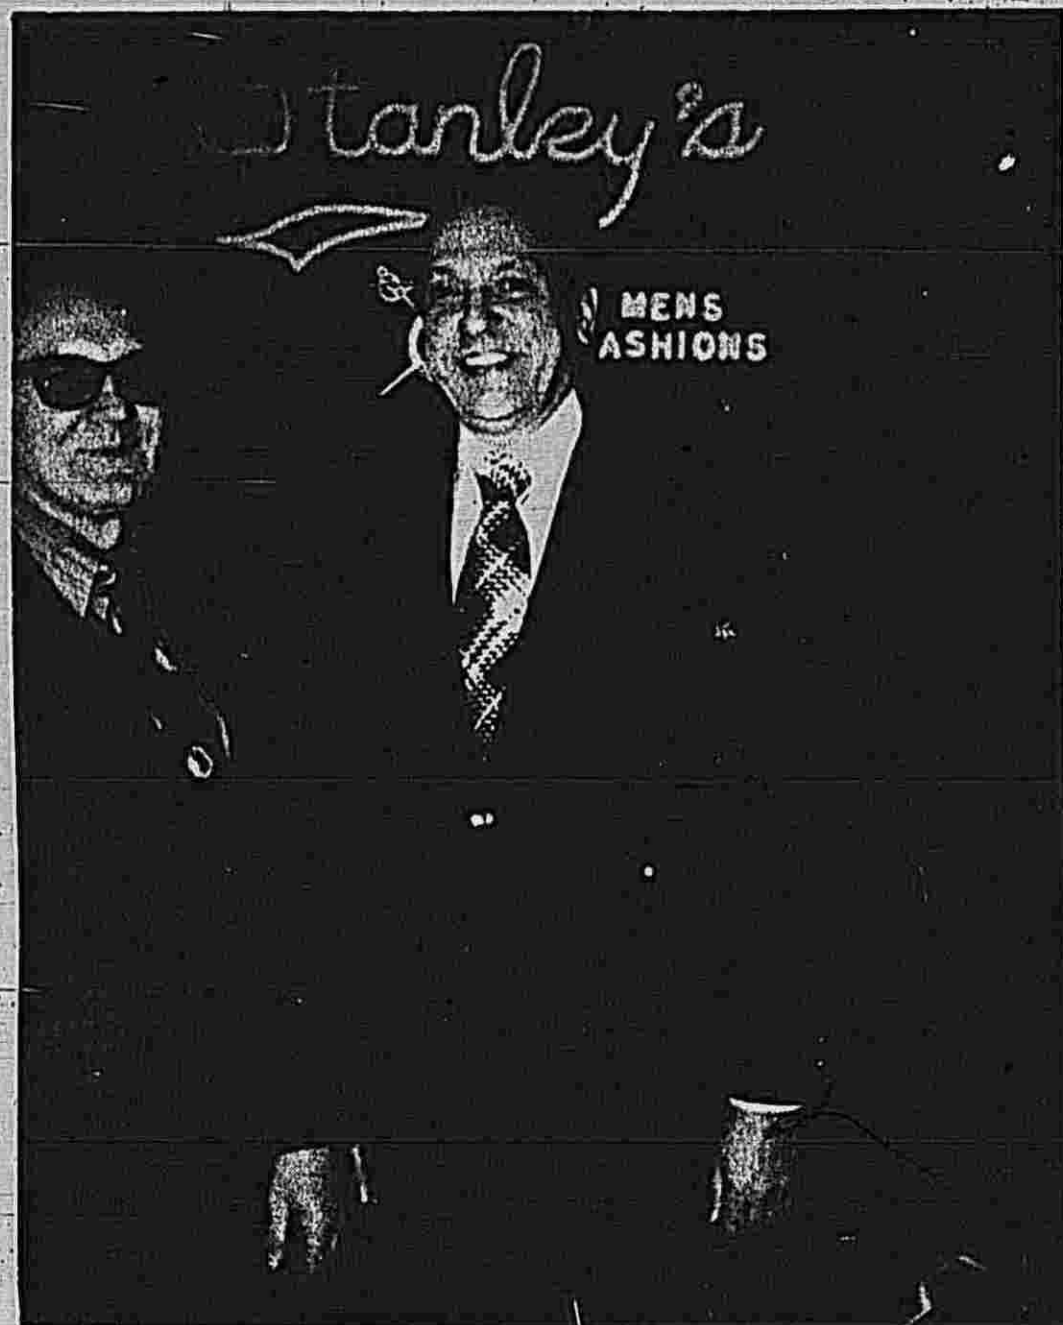

Antioch - we'll bounce right back and reach for the top again.

A very happy 25th anniversary wish goes to Peg and Don Leider who will celebrate this happy occasion on Valentines Day.

Remember all you Senior Citizens come on out for the weekly Wednesday bowling - beginners are very welcome. Bowling begins at 1 p.m. at the Antioch bowling Lanes. You must be over 60 and retired.

Roses are Red,
Violets are Blue;
Sugar is Sweet,
And So Are You.
Be My Valentine

Love
Annie Mae.

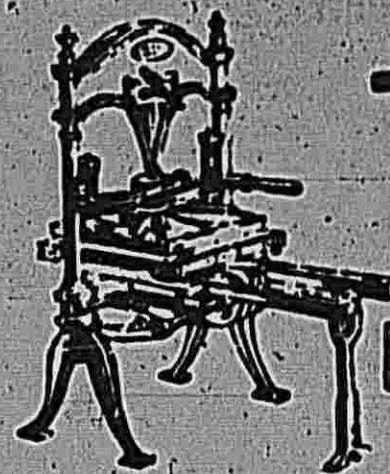

Mr. Henry J. Nobhava, standing with Stanley Toten, owner of Stanley's Mens Fashions, wearing the sport coat he won after entering the Sport Coat A Month Club. The club was started at Stanley's some time ago and has made many a fellow happy with a new sport coat since.

If you are interested in being eligible for a drawing, go in and find out the details now. It will be worth your time as there is nothing to lose and a sport coat to gain.

The following is a presentation of the biographies of the members of the Progressive Peoples Party as delivered by the candidates. Mr. Toft will again head the list and is the party's candidate for Mayor. His party consists of Vern Barnstable, Joseph Rush and William Carney, candidates for Village Trustees, and Marilyn Sterbenz, candidate for Village Clerk.

RAYMOND P. TOFT Candidate for Mayor

Raymond P. Toft, life-time resident of Antioch and Mayor of Antioch for the past eight years is now waging a successful campaign to be elected to that office for a third term.

Ray, his wife Joan and their two daughters, Debbie and Kathy are truly a hometown product. Both Ray and Joan are graduates of Antioch High School as well as their oldest daughter, Debbie. Kathy, the youngest of the Tofts is still in high school and is a member of the varsity cheerleader squad.

Being involved is a way of life in the Toft family. Ray's wife, Joan, has been an active member of the Antioch Grade School Board for the past number of years, and is a member of the Antioch woman's Club.

Ray himself, as the saying goes, has been in the "Thick of things" for a long time. He was a member of the Antioch Grade School Board for 3 years, a Village Trustee for 4 years and a member of the fire department for 19 years. He has been active in various civic groups; the Antioch Lions Club; Antioch Chamber of Commerce; the Moose Lodge; the Mason's; V.F.W. and the American Legion.

Like everyone else, Ray has to make a living and he has done that right here in Antioch. He is presently a successful Real Estate Salesman with Cornelius Real Estate on Lake Street, Antioch.

Ray has spent 12 years in Village government. Four years as a Trustee and the last eight as Mayor. His record during that time has always stood for planned progress and prosperity for the Village. Since announcing his candidacy for a third time with the Progressive Peoples Party, Ray plans to put his very successful formula to work again during the next four years. "Intelligent Planning Plus Controlled Progress" equals "Prosperity for Antioch During the Next Four Years With Mayor Raymond P. Toft."

MARILYN J. STERBENZ
Candidate for Village Clerk

Mrs. Marilyn J. Sterbenz, wife of Joseph Sterbenz, mother

MEET YOUR CANDIDATE

VERN BARNSTABLE

Candidate for Village Trustee

Vern Barnstable, better known as Barney has been a Village Trustee for 8 years, coming on the board the same time as Mayor Toft took office. Barney, his wife, Dorothy and their two children, Sue and Nancy have been life-time residents of Antioch and their interest and love for Antioch is marked by their dedication to seeing to it that Antioch is a good place in which to live.

Besides being a village trustee for eight years, Barney has been a member of the Antioch Fire Department for 30 years and now is the deputy Fire Chief. He is also a member

of four; Dan, Ken, Lynn and Kathy and the present Village Clerk of Antioch. In itself the above statement concerning Marilyn does not have a lot of impact, but add to that - She was the first woman ever elected to a public office in Antioch, is a Charter member of the Antioch Women's Republican Club and just recently was responsible for starting and organizing the Lake County Clerks Association. You can very quickly draw a picture of a truly "Liberated Woman", who has had much success both as a mother and a woman with a career.

Marilyn's interest in politics and our Village Government does not just go back four years to her election to the post of Village Clerk. We can trace her early political involvement back to her high school days when she worked on the Senator Dirksen campaign. Later she became a voting judge and a very prominent Republican in Antioch.

Marilyn also gained valuable insight to the workings of our village government during the twelve years she worked as a correspondent for the Waukegan News Sun.

Before being elected Village Clerk, Marilyn worked part time as an assistant in the Village office with the then, Village Clerk, Clarence Schultis. Since her election she has taken very opportunity to keep up-to-date with the fast changing events in village government. Meetings and seminars are a large part of her schedule. Marilyn's extensive background in village government makes her an ideal candidate for a second term as Village Clerk of Antioch.

of the Republican Club, and the Antioch Moose Lodge. Barney is Yard Foreman at the Antioch Lumber and Coal Company where he has worked for many years. Through his work and his 8 years association with the village board, he is well aware of a growing Antioch and the needs of the Village that must be met during the next four years. Barney has worked hand in hand with Mayor Toft and is an important part of the Mayor's outstanding record in office. Barney's candidacy along with the other members of the Progressive Peoples Party will assure the people of Antioch another four years of continuing progress.

JOSEPH T. RUSH

Candidate for Village Trustee

Joseph T. Rush is a relative newcomer to Antioch in comparison to his fellow candidates on the Progressive Peoples Party. Although Joe has spent most of his life in and around Antioch; it was only 15 years ago that he came to Antioch as Director of Fine Arts at the Antioch Community High School. He was the Director of Fine Arts and directed one of the best bands in the State for 13 years. During that time he was on the Governors Educational Council that met in Springfield once a year. Two years ago he opened his own Portrait Studio and purchased the Antioch News. Joe, during his tenure as an educator was aware of the

needs of Antioch, but not until he took over the News did he become really involved with village government and gain valuable insights into the needs of the Village.

Joe's background in education, with a B.A. degree from DePauw University in Greencastle, including a Masters from IIT in Chicago and a photo degree from the Winona Professional School of Photography, makes him well qualified as a candidate on the Progressive Peoples Party to fill the post of Village Trustee.

Joe is a member of the Antioch Lions Club and the Antioch Chamber of Commerce. He holds membership in the National Professional Photographers of America and the Northern Illinois Professional Photographers Association where he is Librarian.

The Rushes have three children, Gary 19, is a Midshipman at the U.S. Naval Academy, Annapolis, David 16, is a junior at Antioch High School and Lori Jo is a 6th grader at the Antioch Upper Grade School. He married the former Barbara Anderson of Gurnee, Illinois 20 years ago.

WILLIAM G. CARNEY

Candidate for Village Trustee Bill Carney, along with Joe Rush is new to the political scene in Antioch. He and his wife Mary have three children, Cynthia, 10, William Jr., 8, and

Robert, 3½. They make their home at 503 Crest Lane.

Although Bill is new in the political arena, he is not new to Antioch. He is a life-long resident of our community, having graduated from Antioch High School. A member of our Fire Department for 11 years, and now a lieutenant on the force, he has been active in many community activities. He is a past member of the Board of Directors of the Lake County Bowling Association.

Bill has been employed for the past 14 years with Commonwealth Edison Company. His work which takes him to all parts of our community as well as many others has made him well aware of the problems of a growing area. Bill's addition to the Progressive Peoples Party ticket as a candidate for Village Trustee has given the party ticket a fine balance between the present party incumbents with their years of experience and knowledge and the new and fresh ideas of a newcomer like Bill.

ALBERT DITTMAN—VIP FOR 1973

This year, St. Peter's 5th Annual VIP dance will be held at St. Peter's Social Center on Saturday, March 31st. This promises to be one of the best dances yet. Tickets will be on sale on a first-come, first-serve basis. They will be \$7.50 per person, and may be purchased at the local banks or the Church Rectory.

Co-chairmen for this event are Charles Forester and Jim Olson. Decoration chairman is Hank Apostol. And of course, the head chef will be our own Catherine Wells, who is planning a superb menu.

Cocktails will begin at 6 p.m. with dinner being served at 7 p.m.. At 9 p.m. there will be program honoring Mr. Dittman. Dancing to "The Scotsmen" will follow. Mike Haley will be Master of Ceremonies.

American Legion Auxiliary

"To Forge Ahead in 'Seventy-Three, We Need a 100 Percent Auxiliary", with these words, Mrs. Norman Holt, North Chicago, district membership chairman of the 10th District American Legion Auxiliary, launches the membership campaign into full swing. "With membership in the 10th District Auxiliary at 86 percent, we badly need the remaining 14 percent of paid up members to be a 100 percent District. Seven Units have already gained their 100 percent goal - Baxter Evans, Highwood, Lake Bluff, Lake Forest, Lake Zurich, Libertyville and Winthrop Harbor - with several other close to their goal."

Mrs. Holt asks that ALL Auxiliary members help their membership chairman accomplish this 100 percent aim. Many of the older members have died, some members have moved away, and a few have dropped their membership - these women need to be replaced by new members.

In order to be eligible for membership in the American Legion Auxiliary, the applicant must be either the wife, mother, daughter, sister or granddaughter of an American Legionnaire; the widow, mother, daughter sister or granddaughter of a veteran who served during any of the four named wars, and is since deceased. This veteran need not have been a legionnaire. The last eligibility is for any ex-servicewoman who served in any of the four wars.

Eligibility dates as set by Congress are World War I - April 8, 1917 to November 11, 1918; World War II - December 7, 1942 - September 2, 1945; Korean Conflict - June 25, 1950 - July 27, 1953; and the Vietnam War eligibility date set by the American Legion, is August 5, 1964 to the present time.

In joining the American Legion Auxiliary, the world's largest service organization with close to a million members, you belong to a group that is able to do a great many things for others less fortunate. "There is a wealth of happiness and satisfaction in volunteer work done for the hospitalized and disabled veterans; in helping a needy veteran's widow and his dependents; in fostering Americanism and patriotism; in providing nurses and other scholarships; accomplishing useful children and youth work; and performing many community service projects" Mrs. Holt continues, "as an Auxiliary member, you enrich your own life while bringing happiness to others less lucky than yourself."

Mrs. Joseph Hogue of Waukegan, district past presidents' parley chairman, announces that three dozen gifts will be given the women patients at Downey Hospital on Valentine's Day, February 14th. This will be a special treat through the 10th District's past presidents' parley program.

Antioch Legion News

Some sixty Auxiliary members, their husbands, Antioch Post Legionnaires, their wives and guests enjoyed the pot luck supper "Birthday Party" meeting of the Antioch American Legion Auxiliary, held February 5th, at the Antioch American Legion Home.

Mrs. John W. Horan reported that a gift was given for the past

president's parley program of 10th District, where a special treat of presents for Valentines Day went to the Downey Hospital women patients.

Schools and students entering the annual Americanism essay contest will have a week longer to complete their essays. Mrs. Ray Rathmann, Americanism chairman, has extended their deadline date to February 21st.

The Antioch American Legion Post is to be congratulated on their achieving a 100 percent membership goal. The Antioch Unit only needs seven more members to attain their 100 percent aim.

The next meeting of the Antioch American Legion Auxiliary will be held on March 5th, at 8:00 p.m. in the Antioch American Legion Home, where Mrs. John L. Horan, President will conduct the session.

VAL MIKUSCH "BOWLED OVER" WITH BIRTHDAY

The Senior Citizens bowling group is growing and becoming a weekly fun organization. On February 7th they helped Val Mikusch celebrate his 87th birthday with Cake from Roland's Bakery and coffee. Val not only bowls with this group but also bowls another day each week.

This bowling group is sponsored

by the Antioch Bowling Lanes. They meet every Wednesday afternoon at 1 p.m. for a few games, coffee and good fellowship. There are 18

members at the present time but this is open to anyone over 60 and retired. Please feel free to join the fun. Beginners are welcome.

New Deductions

Mr. and Mrs. John K'Miller of Orient, Ohio are happy to announce the birth of a son David Thomas on February 5, 1972.

The little guy tipped the scales at 7 lbs. 11 oz.

Proud grandparents are Mr. and Mrs. Laddie Masek of Antioch and Mr. and Mrs. Russell K'Miller of Somerset, Ohio.

PLENTY OF FREE PARKING

THINGS YOU MAY NOT KNOW ABOUT CONSERVING ELECTRICITY.

Proper insulation can mean a savings for you in winter. And in summer, too.

The better your insulation, the less heat you lose in winter. Your heating system doesn't have to run as often, or as long, to keep you warm. You save.

Now think about this: the same insulation that helps keep heat inside in winter helps keep it outside in summer. Even if you don't have air conditioning, insulation puts a barrier between you and the heat outside. If you have air conditioning, you'll find it doesn't have to work nearly as hard to keep you cool. You save again.

What is proper insulation? Recommendations vary with the

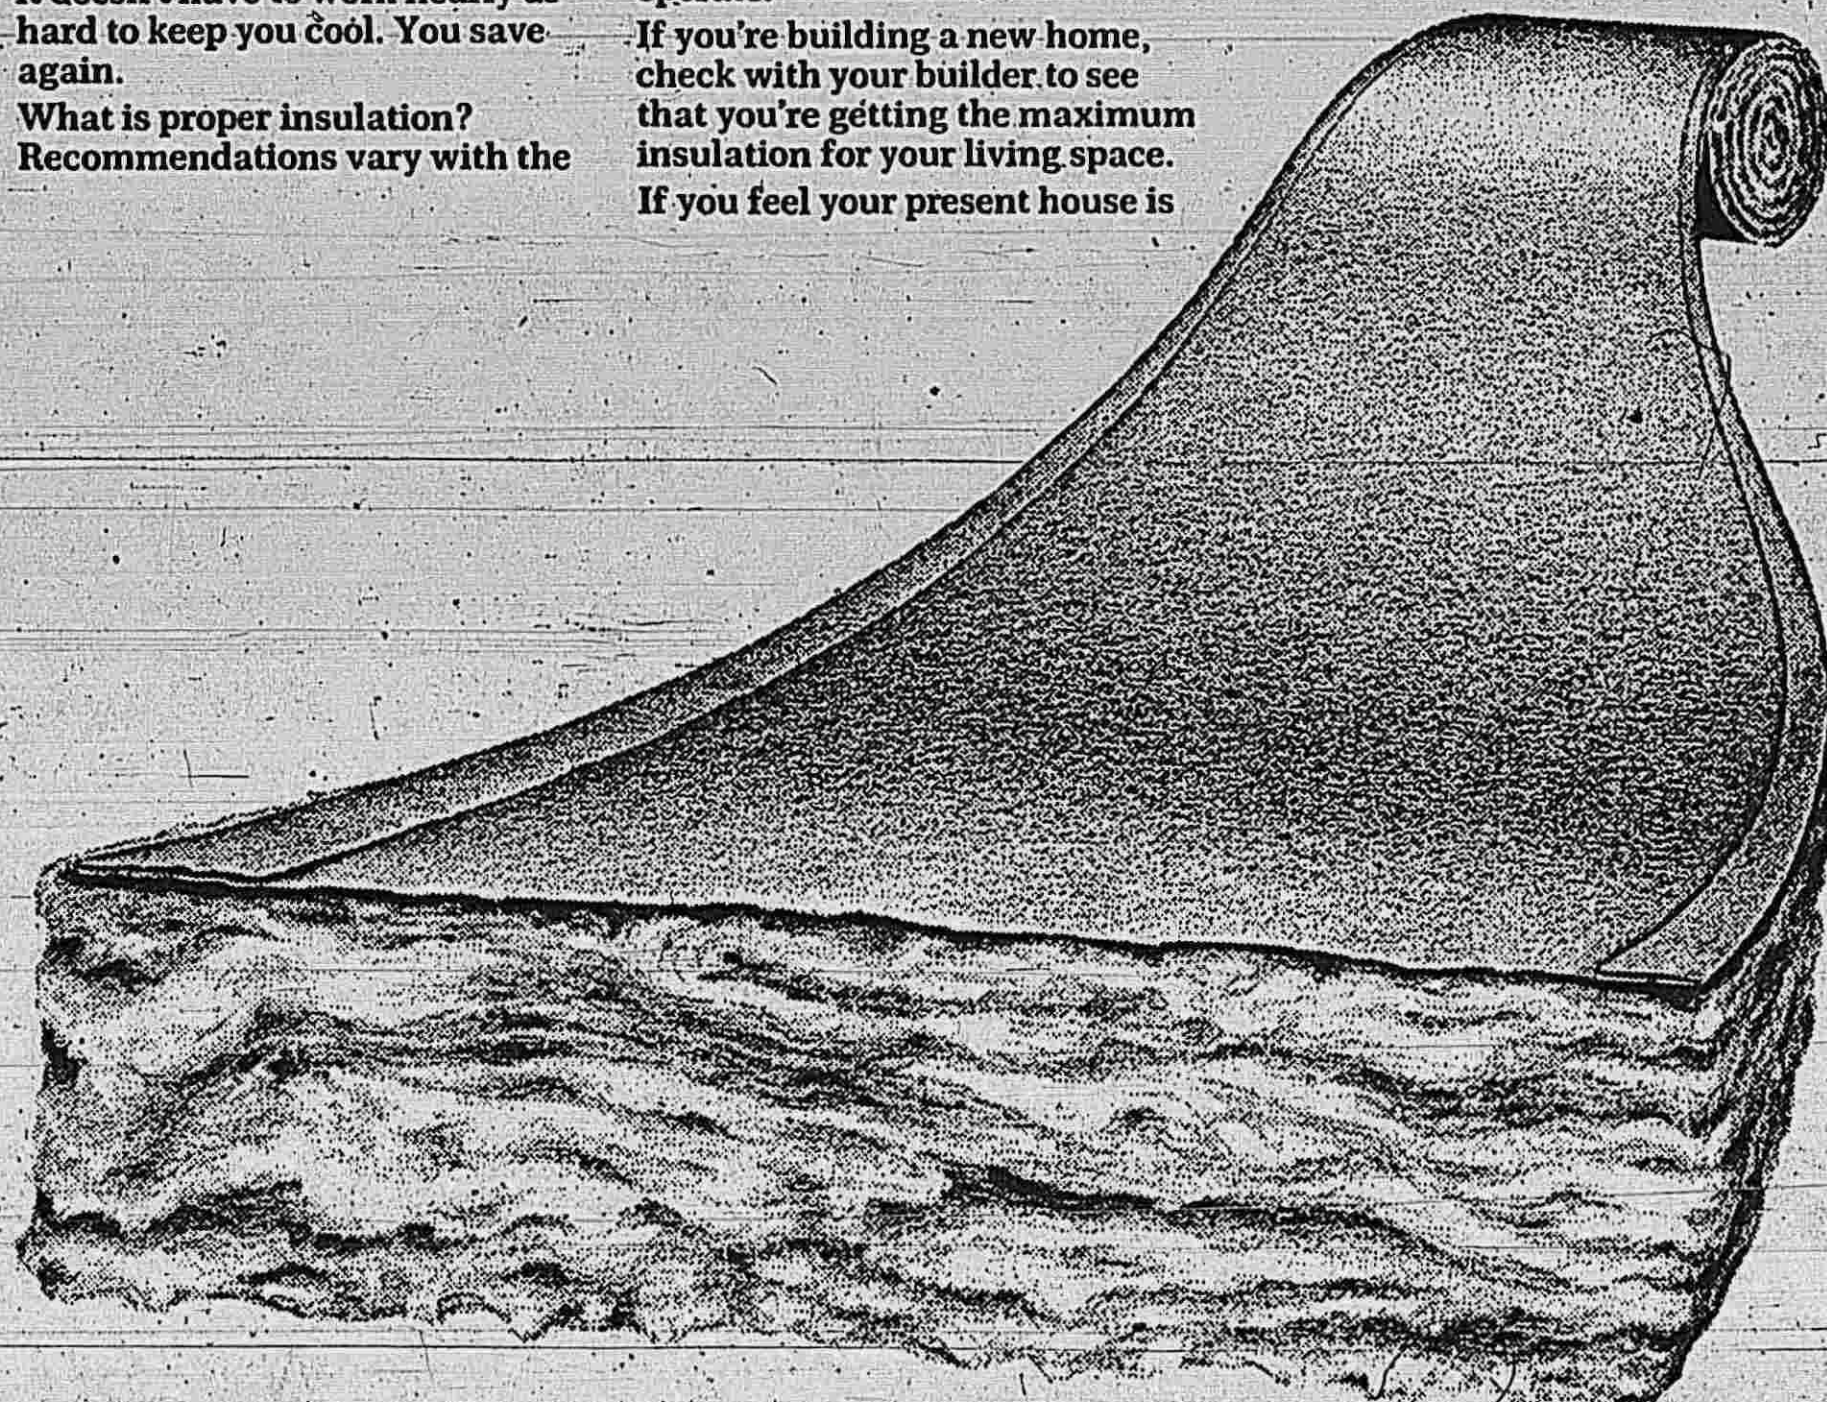

type of construction. The ability of an insulating material to resist the flow of heat is measured in a unit called R-Value. The higher the R-Value the better the thermal resistance of the insulation. With electrically heated homes, we recommend the equivalent of R-19 in the ceiling, R-11 in the walls, and R-11 in the floor. In all cases, the better the insulation, the more efficiently the heating and cooling systems will operate.

If you're building a new home, check with your builder to see that you're getting the maximum insulation for your living space.

If you feel your present house is

under-insulated, an insulating contractor or supplier can show you how to improve it. This hint is included in our booklet "101 Ways to Conserve Electricity at Home." For your free copy, write Commonwealth Edison, Department AV, P.O. Box 767, Chicago, Illinois 60690.

PETITIONS AVAILABLE OF TRUSTEES FOR CLC BOARD

Petitions for candidates to Lake County Junior College district 532 Board of Trustees are now available in the business office, building 6, at the College of Lake County.

The nomination petitions, complete with at least 50 signatures, will be accepted for filing from February 28 through March 23.

Before presenting petitions, candidates must file statements of economic interest with the Lake County Clerk's Office. Forms for the statement are also available at the CLC business office.

Two three-year board seats are at stake in the April 14 election.

PLAZA SUITE OPENS TO A FULL HOUSE

PM & L Presents "Plaza Suite" (a comedy in 3 acts) by Neil Simon and is directed by Tony Aird. Suite 719 in the Plaza Hotel sees many many different types of people. This three act comedy lets us view 3 different personalities.

For an evening of pure entertainment, this play lets you belly laugh and then sigh a little and maybe shed a tear or two. Act one deals with the eternal triangle. Fred Holbert as Sam Nash and Donna Mascari as Karen Nash do a fine job of portraying the "dead marriage". Lyn Zaehler plays Jean McCormick, the other woman. It is a fast moving act with clever double meaning lines that are delivered beautifully.

Act two shows the rendezvous

of two old classmates; he successful and she the "little housewife". Don Beveroth as Jesse Kiplinger tries all the known tactics on Muriel Tate played by Pam Hill, to finally get her in the well known bedroom.

Suite 719 next sees a pre-wedding group. Norma Hubley (Nancy Bell) and Roy Hubley (Tom Hausman) are having a very difficult time with their daughter Mimsey (Penny Anderson) who has locked herself in the bathroom and won't come out to get married. The musicians and food and the prospective bridegroom are having to wait while "Mamma and Daddy" try every trick in the book to get daughter out of the bathroom. All it takes is ONE WORD from the bride-

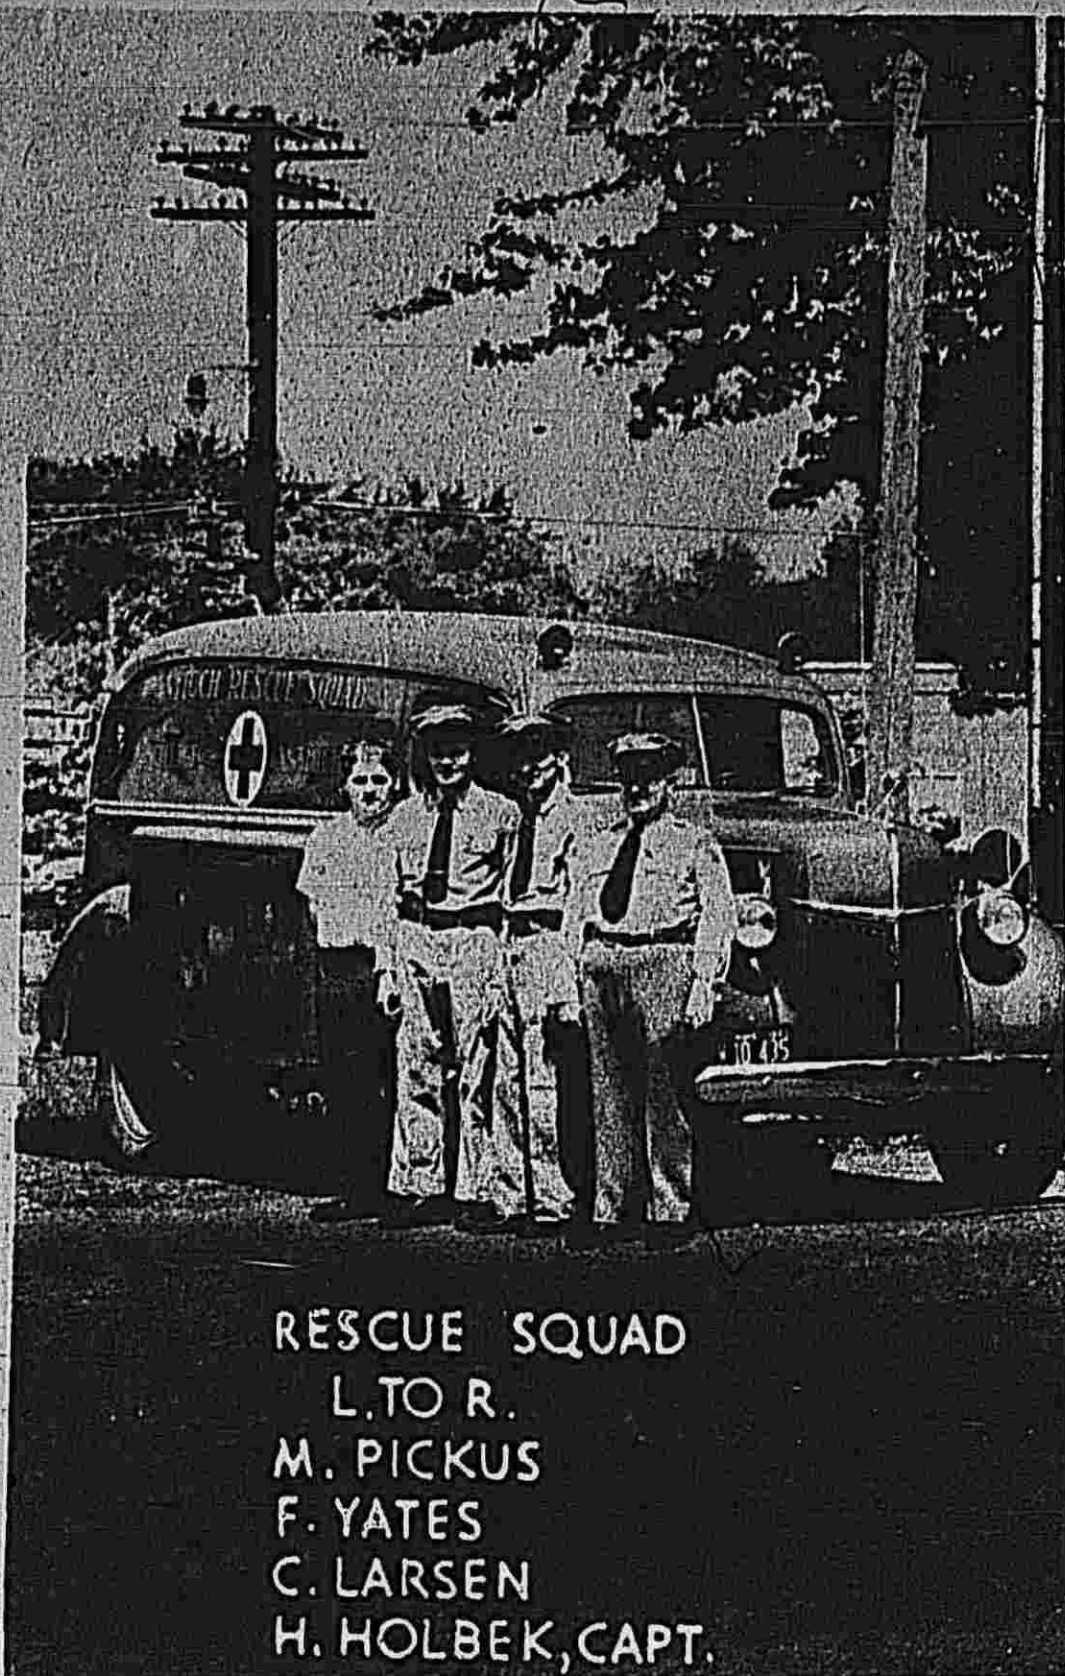

Pictured in the new PM & L production of "Plaza Suite" are (seated) Lyn Zaehler from Antioch as Miss McCormick (secretary) and Fred Holbert from Antioch as Sam Nash (boss). (Standing) Donna Mascari from McHenry as Karen Nash (wife).

groom, Bordon Eisler (Dave Oelerich) to put the smile on the bride and send her down the stairs.

The suite was cleverly put in order between acts by very

efficient maids.

Make your reservations soon for the remaining two weekends of Plaza Suite. February 16, 17, 23 & 24. Phone 395-9702 for your reservations for an entertaining evening at the PM & L Theatre.

RESCUE SQUAD
L. TO R.
M. PICKUS
F. YATES
C. LARSEN
H. HOLBEK, CAPT.

The above picture was taken in 1943 during the early days of the Rescue Squad existence. At that time the Squad was still part of the fire department and this is just a portion of the department's picture that year. Members Herman Rosing, Clarence Shultis and Red Murrie are not pictured here, but rather are seen in front of the fire trucks in the same photograph.

The Antioch Rescue Squad maintains three of the above rescue vehicles. They are equipped with such things as portable and built in oxygen equipment, backboards, splints, obstetrician kits, etc. (Staff Photo)

HATS OFF TO OUR RESCUE SQUAD

NEWS FROM JULIO

Following are excerpts from letters received from Julio Sanchez of Costa Rica. Julio was the A.F.S. foreign exchange student who spent the 1972-73 school year living in Antioch with the Charles Maplethorpe and Ronald Rau families and attending Antioch High School.

December 19, 1972

"I wish you a Merry Christmas. We are celebrating it and it's really nice (but without any cold weather). I graduated from High School on December 13 with honors. I got the first rank in it. I am planning on going to college. I've already done all the procedures in order to enroll in the Costa Rica University. It will take me from 7 to 8 years to be a doctor."

January 30, 1973

"I am getting ready to enter college next March 5th. I am very excited about it. We have to pass a test in order to enter the only university in Costa Rica. There were 8,000 candidates and only 5,000 were accepted. I was among the top 15 students to pass the test. Now I have to go several times a week to the university to have all the requisites fulfilled. About my scholarship to the U.S. I still don't know but I suppose I'll know in another month or so. I had to do the TOEL (Test of English as a Foreign Language) in order to classify for an American college. It was very hard but I still don't know whether I passed or not."

"Here in Costa Rica we are happy to know that the peace in Viet Nam was at last signed, though we think that now comes

the hardest for the Vietnamese because they will have a kind of civil war. Anyway I think the first step toward a secure peace has been given.

"In Costa Rica we didn't feel the earthquake which hit Nicaragua though we had a lot of refugees from there. We did our best to help them and raised thousands of colones to try to relieve them. I had been in Nicaragua on the first days of November. It was a very nice city; it seemed like an old Spanish colonial city.

"One thing I miss the most is the chicken you cooked on the grill. Here in my country there are some places where one can go and have it, but it's too expensive. Also once I was going to buy some ground beef to make hamburgers but the store only had it mixed with pork so I didn't buy any. We have pancake mix although I haven't bought any yet. Before I had gone to the U.S. I never had Corn Flakes for breakfast, but now that's my favorite breakfast. (We usually have scrambled eggs, french bread, cookies, and coffee). When I first came, my mother was worried because I didn't eat too much at lunch, and I just wanted a little treat while they wanted me to eat a whole bunch of food. Soon I became re-acustomed again.

"How is A.F.S. working in Antioch? Are you still thinking about bringing another student next year? How is the kid's response to the A.F.S.? I still believe you need to have an Antioch High School boy or girl (junior) to go with A.F.S. abroad. Then when he is a senior, he will come back and help convince the students of the greatness of A.F.S."

Continued from Page 1

heart attacks, and on occasion babies were delivered and help given in the search for drowning victims.

The training these men receive has also progressed. They still take the advanced First Aid course, but that is just the beginning. The squad has taken many courses from various institutions, all of the members have passed the Federal Emergency Medical Technicians Test and they have just completed a special heart course they began last June. The crew also receives in-service training from one of its members, who is a certified Red Cross instructor. Other valuable lessons come from the many Antioch doctors who have been working in conjunction with the group.

Many people unfortunately have been under the false impression that the Rescue Squad is merely an ambulance service that makes daily runs to the hospital. The truth is the Rescue Squad makes its way to Victory Memorial Hospital only 30 percent of the time. The squad is equipped to administer the spot first aid in many different forms.

A Life-Pak Unit and EKG machine has enabled the squad to administer better heart treatment than ever before. The purchase of the equipment was made possible through the help of the Lions Club. The members are now able to take an EKG reading of the heart and transmit this information to a doctor in Victory Memorial Hospital directly over the phone. The doctor is then able to supply the crew with instructions for dealing with the particular case in question. The unit has a heart monitoring machine, and what is termed a

"shocking unit". It has two paddle-like devices that are used to administer an electric shock to stimulate heart action.

The squad has been hampered somewhat by legal restrictions as to what and how much aid they, themselves, can administer. However, at this time they are waiting to receive word from the State, that may come any day now, which will lift some of these restrictions and will allow the squad to operate to its fullest capacity.

Antioch's Rescue Squad has been proclaimed to be the best and the most advanced in this area. It is also one of two, Rescue Squads that is operated and run completely independently. (Lake Villa's squad is also independent).

The squad now maintains 3 rescue vehicles and each are generously equipped with portable and built in oxygen

equipment, backboards, splints, (both wood and air), obstetrician kits, aspiration equipment, fracture splints, generator, Scots air pak, porta power, etc.

As one of the members of the squad said, "What makes the Antioch Rescue Squad unique is that everyone's efforts are concentrated toward helping people and the fact that we are backed by the whole community. Nobody takes credit for one particular thing. If it wasn't for the community interest, the squad couldn't survive."

A great deal of credit is due to these men of the Antioch Rescue Squad, who have given so much to the betterment of the community, so much of their time and efforts to lend a life-saving hand, and lastly, who have asked for nothing in return.

SOCIETY

THEATRE PARTY FOR NEWCOMERS

Saturday evening, February 17th, is the date set for the Newcomers' Theatre Party. Dinner and cocktails will start the evening at the Brave Bull, at 6:00 p.m., followed by the play "Plaza Suite" beginning at 8:30 p.m. in the PM & L Theatre on Main Street in Antioch. After the theatre, coffee will be served at the home of Barbara

Joern's. Entertainment is the agenda for the entire evening and members and guests are invited. Pam Hill, a Newcomers officer, will appreciate your full support. Contact Bonnie Manderhak for further information and reservations at 395-2450.

There still are some openings in the Stock Investment Club. If you are interested, they will be meeting Wednesday, February 14th at 8:00 p.m. at the Antioch State Bank. Contact Betty Baker and she will give you the details. 395-3650.

The Newcomers will sponsor a tour of Gateway House on February 21st. We will start with a luncheon at the 19th Hole at 11:30 a.m. The tour begins at 1:00 p.m. Call Evelyn LaFata for directions and more information at 395-6044. Members and guest are invited.

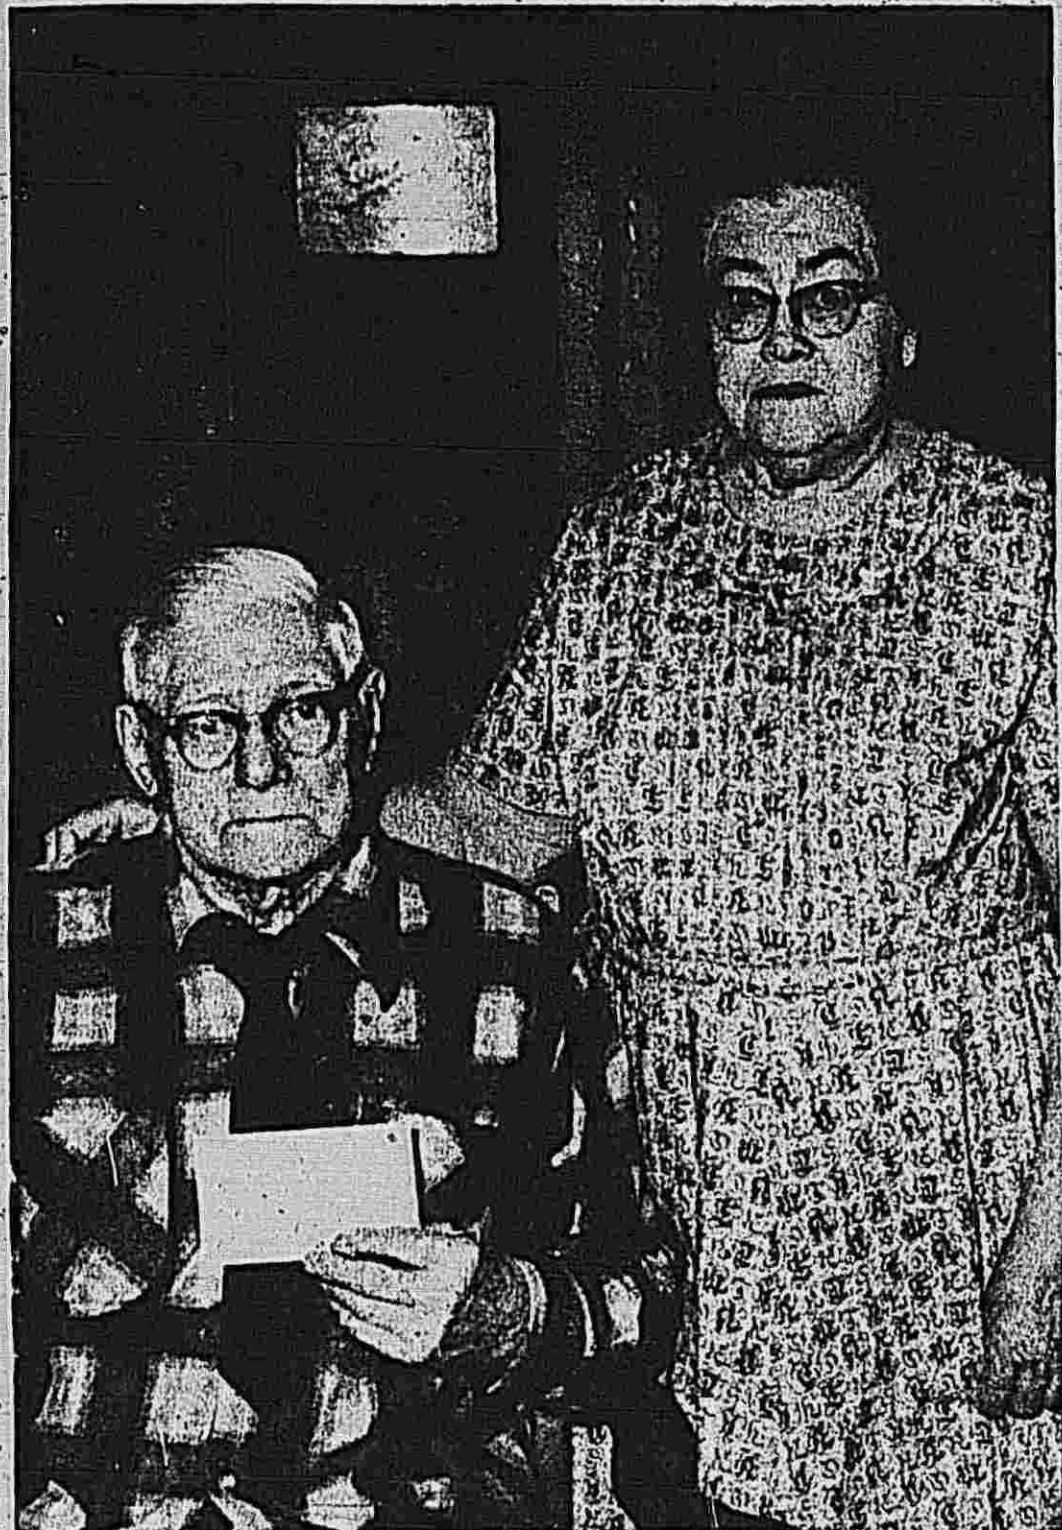

News from our Arts and Crafts department: A class in decapouge will be given by Anita Gedville at 12:30 p.m. on February 23rd. Also, quilting classes will start February 28th at 7:00 p.m. at Anita Gedville's. For information call 395-9561.

All of the above are open to anyone who has been called upon by Helen DeVries of the Welcome Wagon in the past year. The Newcomers is a great way to get acquainted with your neighbors in the Antioch area.

Jan Mahlstedt, during the Chicago Dental Society's 108th Midwinter Meeting on Wednesday, February 14 at 12 noon in the Boulevard Room of the Conrad Hilton Hotel.

The promotion originated in 1970 in conjunction with the motion picture "Cactus Flower". It has since become an annual event.

Miss Ludwig is a Dental Assistant to Dr. Robert Paul-etti, Rte 1, Antioch. She is a 1967 graduate of Antioch High School.

Mr. and Mrs. Leo Buchta of North Avenue, Antioch, will celebrate their 60th wedding anniversary on February 27th. They were married in 1913 in Waukegan, Illinois.

Mr. Buchta is shown holding a birthday card he received for his 88th birthday from President Nixon.

SCUFFHAM-PEDERSEN ENGAGEMENT TOLD

Mr. LeRoy Scuffham of Fort Lypton, Colorado announces the engagement of his daughter Deborah Lynn of Kenosha, Wisconsin to Mr. Dale A. Pedersen, son of Mr. and Mrs. Alfred P. Pedersen of Rte 3 Antioch.

Dale is employed at the family business, Pederson Bros. Implement Co., of rural Antioch.

St. Peter Church in Antioch will be the setting for the June 22nd wedding.

NEWS DEADLINE Monday Afternoon

WOMAN'S CLUB LEARNS ABOUT DOWNEY

The regular meeting of the Antioch Woman's Club was held on February 5. A short business meeting was held. Mrs. Gay Sven, chairman of the Ways and Means Committee reported that the Cook Books have arrived and are now available. Any one may obtain a book from members for \$3.50. They are very good and would make nice gifts.

Mrs. Betty Mentone introduced her program. A representative from Downey Veteran's Hospital talked about the facility. It was a timely subject and he presented many interesting facts. Downey, which was opened in 1926 is one of 166 in the U.S. and one of 5 in Illinois. There are approximately 1800 employees, 800 volunteer workers. Medical, psychiatric and nursing home care is provided for the patients. About 90 to 100 patients are placed in foster homes in Lake County. Approximately 100 female patients are treated here. They have their own building and recreation center, but mingle with the men patients for various social events provided for the patients. Mrs. Marion Pechousek and Mrs. Louise Kaufmann are the regular Antioch Woman's Club representatives as volunteer workers. Many more volunteers are needed to help the patients keep in contact with the outside world. Any one interested in volunteering may contact one of these members for information.

VOLUNTEERS NEEDED FOR MATH PROGRAM

The Math Department of the Upper Grade School is again sending out a call for help. Volunteer aides are needed to assist in the I.P.I. (Individual Prescribed Instruction) Math program. No experience or special math background is needed to be a math aide.

Most of the aides now working in the program give up a half day each week. This time is spent in assisting with test grading and recording students progress. This allows the teachers to have more time to spend with the students on an individual basis.

The Math Department has been able to achieve a great deal more this year because of the fine help they have received thus far; however, more help is still needed.

If you feel that you can spare some time to help our Upper Grade School, please give the school a call - 395-1905.

CIRCUS COMING TO ANTIOCH

The Circus is coming to town on March 25, 1973 at the Antioch Upper Grade School. It will be sponsored by the Upper Grade Center, Antioch Grade School, Oakland Grade School and Channel Lake School.

Performances will be at 2 and 4:30 p.m. on Sunday afternoon. Tickets may be purchased in advance. There will be entertainment for the young and old.

Balloons, popcorn, cotton candy, hot dogs, candy and more.

Watch your newspaper for further information.

Room mothers from the Antioch Grade School meet to organize the booths for the Fun Fair to be held at the Antioch Lower Grade School on February 25th from 1 to 6 p.m.

FUN FAIR AT GRADE SCHOOL

Come one, come all, come short, come tall, the Fun Fair is almost here.

The PTA of the Antioch Grade School on North Main Street is once again presenting its Fun Fair which has been so well received in the past. February 25th, from 1 to 6 p.m., the grade school gym will be the place for all kinds of fun activities for any age. A great variety of booths will offer darts, Bozo buckets, a fish pond, bean bag toss, basketball toss, goldfish bowls and many others. Plus the exciting cake walk, white elephant table of treasures, and a raffle with many interesting prizes. Lunch or supper will be offered in the cafeteria.

So come one come all, come big and small, the Fun Fair is almost here.

SMORGASBORD AND SNEAKERS

All parents of the Antioch Upper Grade School students are cordially invited for an evening of eating and fun on Tuesday, February 27th.

Bring a dish to pass for the eating and wear your sneakers for play.

Eating will begin at 6:30 in the

cafeteria and playtime at 8:00 in the gym.

Volleyball, basketball, badminton, ping pong and trampoline will be some of the available activities for the evening.

Come and have fun.

UPPER GRADE SCHOOL NEEDS PLANTS AND TREES FOR PRAIRIE RESTORATION

Restoration of a prairie remnant is planned as part of an environmental project at the Antioch Upper Grade School. It is hoped that the new prairie will be similar to those found in Illinois before the 1860's.

The school is in need of wild

flowers native to this area. Plants are preferred but seeds will also be accepted. The school needs trees also. Anyone with either trees or wild flowers to donate is invited to contact Mrs. Kern at the school - phone 395-1905.

JIM FIELDS TO SPEAK AT WOMAN'S CLUB

The next regular meeting of the Antioch Woman's Club will be on February 19th. It should be a most informative meeting as Mr. James Fields from the Antioch Rescue Squad will be the guest speaker. He will explain the new treatment made available to Antioch area residents by acquiring the new heart treatment equipment and special training required to enable the men to use it.

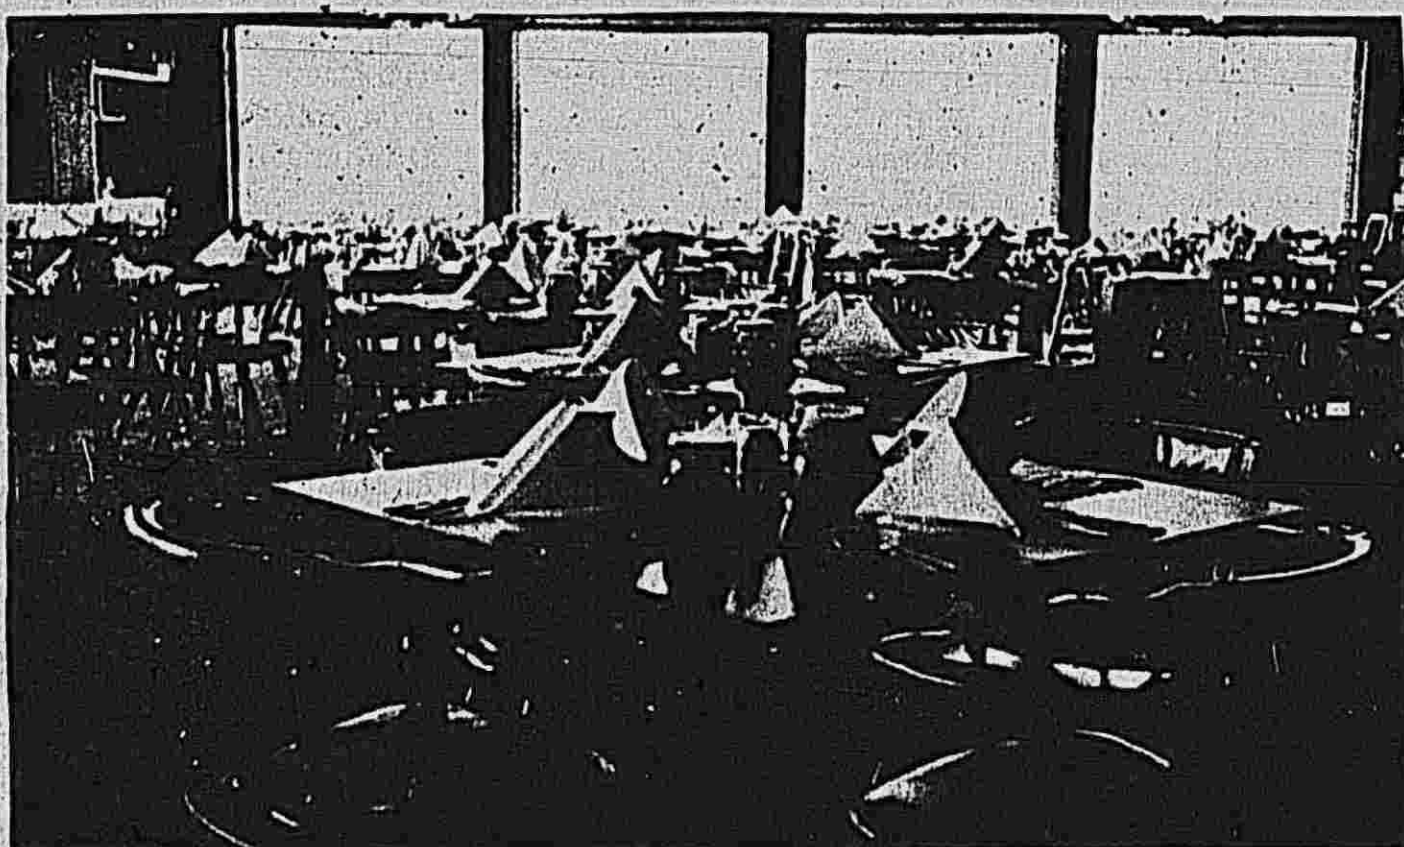

ANNUAL SMORGASBORD DINNER AT SALEM METHODIST CHURCH

The Salem United Methodist Church will be holding its Annual Smorgasbord Dinner on February 24, 1973, serving from 4:00 to 7:00 p.m. The Church is located in Salem, Wisconsin just west of Highway 83 on 85th Street. Tickets will be available at the door. The public is invited.

ARNOLD MAY JUDGE IN JAYCEE CONTEST

Arnold N. May, President of Arnold N. May Builders, Inc., Richmond Illinois and Presi-

KEVIN E. WILLIAMSON

Marine Pvt. Kevin E. Williamson, son of Mr. and Mrs. Raymond Williamson of 336 Columbus Drive, Lake Villa, Illinois, graduated from basic training at the Marine Corps Recruit Depot in San Diego.

dent of the Chicago Farmers Club, of Chicago, was a judge in the Jaycee Outstanding Farmer Selection for the fiscal year 1972. He and Mrs. May spent the past weekend at Bloomington, participating with other Judges and Jaycees and their sponsors from all over the State of Illinois. There were 26 official entries into the contest, all farmers under 35 years of age.

Mr. Jerry Dale King, who operates a 780 acre farm in Victoria, Illinois was selected by the Committee to be the Jaycee Farmer of the Year. He received a pickup truck as his award.

Mr. May stated it was inspiring to see so many young men who have such a deep interest in Agriculture, men who have made their mark all over the State of Illinois. He also stated that the average young farmer in the group had gained, since becoming a farmer, a net worth increase, annually, of \$15,000.00.

MRS. SCURTO CHAIRMAN OF HEART FUND DRIVE

Dr. John Zaninni, president of the Lake County Heart Association today announced the appointment of Mrs. Meredyth B. Scurto as Region I chairman for the 1973 Heart Fund Drive. Region I includes Wauconda, Grant, Lake Villa and Antioch townships.

Mrs. Scurto will be joined by hundreds of additional volunteers during the 1973 drive to achieve the goal of \$75,000 in Lake County.

Welcome home to Bruce McKinney who is on leave from the Air Force and just returned home from Viet Nam. Bruce surprised his parents Lee and Marg and the rest of his family, who had no idea he was coming home. Bruce alerted his brother Mark about four weeks ago that he would be coming home but swore to secrecy. Bruce will be returning to duty soon but will be remaining state-side this time.

Belated birthday greetings to Donny Behrens who was 12 on January 30 and to Donny Purfeerst who was 10 years old on February 3. Also, birthday greetings to Mary Jo Zeien who celebrates on Lincoln's birthday, February 12. Happy Birthday to all.

Carl Beitzel is still a patient at Victory Memorial Hospital following a motorcycle accident a week ago Sunday. Carl underwent surgery last Wednesday to have a pin put in his thigh, which was broken in the accident. He will be hospitalized for a couple of weeks.

In the same hospital is Earl Anderson who is being treated for bleeding ulcers. Earl has been a patient in Victory for over two weeks now. Get well soon you two.

Ray Enzenbacher is a patient at Hines Veteran's Hospital undergoing tests. I'm sure cards from his many friends would be greatly appreciated. The address is, Veteran's Administration Hospital, 3 East, Room 318, Hines Illinois.

Don and Barb Bjork attended the wedding of Rick Bolton last Saturday in Zion. Rick is the son of former residents Mr. and Mrs. Robert Bolton.

Congratulations to Mike Harland for his third place and Jim Morgan who placed fourth in the Conference Wrestling meet last Saturday. The Antioch High School took first place in Wrestling this year which is a feather in the caps of coaches

Northwest Missouri State University Invitational Wrestling Tournament - top four places in the 167-pound division, top to bottom: Rick Nelson, champion, Western Illinois University; Kent Jorgensen, second, Northwest Missouri State University; Stan Peterson, third, Westmar College; Fred Foss, fourth, Kansas State University.

Mr. Wapon and Mr. DeRousse.

Very happy to see Dorothy Enzenbacher only suffered minor injuries in an accident last Friday morning. Dorothy was on her way to work when her car was hit from behind by another car. Thank goodness it wasn't more serious. Talk about being a clumsy bumpkin, I saw Dorothy Friday evening, and the first thing I did was pat her very sore back, one of those cases of wanting to crawl in a hole. Dorothy, being a gracious friend only winced a little and forgave me.

The Gutowski family visited the Boat and Sport Show last Sunday at McCormick Place and saw many boat displays and a wonderful array of campers. Highlight of the trip for 5 year old Jeri was fishing for a live trout in the fish pond set up in the sport area. It was not a treat to have her carry a dead fish around in a plastic bag all day.

The Gossman family held two birthday celebrations last week when Jody was ten years old on Tuesday and Ronnie celebrated becoming a teenager by turning 13 on Friday. Jody had a party for her St. Peter's School

friends on Saturday afternoon. Ron did not want a birthday party as he was too busy riding his new 10 speed bike around the country-side.

Channel Lake Cub Scout News

The Cub Scout Pack meeting for January was held, Monday, Feb. 5, 1973 at the Conservation Club on Circle Drive. Receiving awards for their past work was: Bob-Cat Pin - Bobby O'Conner and Steve Skinger; Wolf Badges: Mark Armstrong and Steve Skinger. Receiving a gold and silver arrow was Mark Armstrong. Boys getting their Bear badge along with 1 gold arrow and 3 silver arrows were Donny Purfeerst, Kurt Larson, and Tad Barnes. Donny, Kurt and Tad graduated into the Webelos Den with their new leader Mr. March.

The new Cub Master, Mr. James Larson would like to remind all boys from age 8 to 10 years old, in our area, interested in joining Cub Scouts to please call him at 395-6576. Next event on the Cub Scout calendar will be the Bue and old Dinner on February 25 at the Conservation Club.

Let me know the news.
Louise

4H THANKS THEIR LEADERS

The more than 250 leaders and friends of 4H attending the Annual 4H Leaders Thankyou Dinner gave Orion Samuelson a standing ovation after his keynote address. Samuelson, Farm Service Director for WGN radio and television, delivered a highly entertaining, enjoyable and motivating speech. It included points on his farm background in Kickapoo Valley, Wisconsin, on his 4H career and the overall 4H program, and on the potential for both rural and urban 4H youth programs for the future.

Samuelson's talk climaxed the program which served to give appreciation to all the leaders and to recognize them for their years of service. Receiving a coveted 15 year leadership clover pin was Barbara Austin, a former leader with a Zion 4H club. Two leaders received ten year pins. Mrs. Vern Thelen, organization leader for Chain O'Lakes 4H Club and Mrs. Russell Wertke, organization leader for Volo Busy Bees. Five year pins went to Mrs. Carol Anhalt, Mr. Charles Altman, Mrs. Harland Craft, Dr. Thomas DeMeyer, Mrs. Edwin Denman, Mrs. Wayne Herman, Mr. Hans Lippig, Mrs. Robert Meyers, Mrs. Carol Mirocko, Miss Mabel Oetting, Dr. James D. Ogden, Mrs. James Ratican, Mrs. James Rhoades, Mrs. Ralph Sandri, Mr. George Schneider, Mrs. Edward Taverne, Mrs. William Walker, Mr. William Walker, Mr. Gordon Wells and Mrs. Gordon Wells.

LAKE COUNTY CHAPLAINCY SERVICE BENEFIT STAGED

On February 16 and 17, the Kirk Players of Mundelein will present the comedy, "The Desk Set" with proceeds to benefit the work of the Lake County Chaplaincy Service. The two performances will be given at the Mundelein High School at 8:00 p.m. each evening. Tickets may be purchased at the door on the nights of the performances, or in advance from any Kirk Player or Director of the Lake County Chaplaincy Service, Chaplaincy office 336-2777, or Jack Keil 414-862-6388.

With proceeds going to the Chaplaincy Service, the ultimate beneficiaries of these performances - beyond the play's audiences and the Kirk players themselves - will be the many individuals in Lake County who are served by the Chaplaincy.

The Lake County Chaplaincy Services is a non-profit Illinois Corporation founded more than nine years ago to minister to people in Lake County who - because of age, poverty, delinquency and/or illness are in need of assistance. The Reverends Ralph Smith and Robert Krieger run the organization with a large corps of trained volunteers. They serve the County Home, T.B. Sanitarium, the Youth Home and the County Jail.

Some who live outside the institutions are served by the meals-on-wheels program also.

The Service is supported entirely by private funds raised by an annual book sale and through donations from church, lay organizations and individuals throughout the county.

IMPORTANT MAINTENANCE AND SERVICE TIPS

1. Your Owner's Manual:

Take time to read it, as soon as you get your car. It contains useful, car-saving, money-saving advice. It tells you how to operate your car, how to maintain it, keep up its appearance, diagnose trouble, get service, and how to drive more safely. It's produced by the expert on your car - the manufacturer.

2. Your Maintenance Time-Aud-Mileage Requirements:

Keep a record of the time and mileage for your car.

There are components and equipment items on your car that need attention at regular intervals, or at regular points of mileage. The new emissions controls need regular, reliable servicing to function properly. Warranty-related items also need periodic checking.

SEQUOIT HAPPENINGS

BITS AND PIECES

By: Taffy Engelhardt

Before the big game on Friday night, we had a pep assembly during school. In my eyes, it was the best pep assembly we've had for two years. Everyone really co-operated well and it was worth it. The JV and Varsity cheerleaders started off the assembly and did cheers at various other times during. Mr. Andrews spoke to the crowd and introduced the players. Also, Tim Mieure and Mark Andrews presented the Barrington Trophy to Mr. Polley on behalf of the varsity team. Glen Amundsen was emcee. Our spirit can man, Terry Olsen, was the one who really got the crowd yelling and psyched up for our big game against Round Lake.

Well, as everyone knows, we lost the game. But we sure put up a fight. In my four years, I have never seen so many people at one game. It was incredible. Both teams played super. It was a tense game all the way through and both crowds were blasting. It's too bad we had to lose a key game, especially by 3 points in an overtime. But it was really a toss-up, both teams have the ability. I don't ever want to hear anyone say that the spirit in Antioch High is dead again. It just took a big game like Friday's to bring it out again. Even though we lost, we'd like to congratulate our team and say that we'll still stick with them!

And as for the wrestling weekend - it was another biggie.

Antioch took a first in the conference with a score of 122. There were four firsts: John Roberts-105lbs; Steve Shaffer,

132lbs.; John Thain, 138 lbs.; Andy Feldman, 145 lbs.

Sunday night was the annual Turnabout. It's the time of the year when the girl finally gets the chance to ask a guy to the dance. It was a pretty big turn-out; the front parking lot was full of cars. Playing for the dance, was the band Birth. They did a good job and everyone seemed happy with the arrangement.

A POEM FOR VALENTINE'S DAY

Have I Given You A Valentine Lately"

I don't believe in Valentines. They are young and vulnerable And hopelessly old-fashioned.

Valentines are for Sentimental sentimentalists, Romantic romantics, And those who still believe in Happy endings.

I am at that point in life When I know how the story ends And when the nights grow cold. So I don't expect Lace slips, Surprise trips, Cherry flips, Or tender little poems Because it is That Day.

Instead I want my Valentines At unexpected times. I want to know you think of me In mid-May, March and June. For I believe, My dear, One day a year Is not enough for love.

Lois Wyse

IS PEACE REALLY HERE

It was really surprising to hear that the war ended, it all seemed too good to be true. There are still two nations which have not as yet reached a peaceful relationship, which has and will delay the United States from providing reconstruction aid to North Viet Nam. Reconstruction aid was only "one of the possibilities in the middle term rather than the cease-fire in Viet Nam."

I've heard a few people's opinions and they seem to feel that this is unreal, and they say

The crowd was enthusiastic at the Student Pep Rally on Friday before the Round Lake - Antioch game. The spirit was there even tho we were downed in an overtime play 52-49. (Staff Photo)

Mr. Walter Daniels, Sr. Vice President of the First National Bank in Antioch presents Dave Rush with a check for \$25 for the ACHS Audio Visual Club. The bank paid \$1.00 per hour for the Dance Marathon.

they won't believe it until they see all the men coming back. Seems like all the people who want the soldiers to come back think that everything's going to be fine again, but there will be a lot of problems they will have to face. Like unemployment, housing, emotional instability, adjustment into society since they have been gone so long and so many things have changed and so on.

But I hope people will look at things differently and help them when they come home.

Nancy Huntington

VOLUNTEERS NEEDED AT SERVICE CENTER

The Waukegan Servicemen's Center deparately needs young girls to volunteer to spend some of their spare time at the Center. At the present time the Center has only ten volunteers. Single girls 16 and over are needed to play cards, pool, dance, and to provide conversation.

On Wednesdays and Sundays, when no entertainment is provided, the Center especially needs volunteers. The hours the Center is open on Wednesdays is from 4 to 10:00 p.m. and on Sundays from 10 to 10:00 p.m. Volunteers are also needed on Fridays when the Center opens at 4:00 p.m. and on Saturdays beginning at 10:00 a.m.

Interested girls are requested to call United Community Services Volunteer Service Bureau.

Obituaries

MR. HARRY S. WALLACE 71 years old of 525 Garys Drive, Antioch, passed away on Thursday, Feb. 8th at his home. He was born July 29, 1901 in Holland and came to the United States in 1903 to reside in the Lake Villa and Grayslake areas, until moving to Libertyville in 1935, and to Antioch in 1942. He had operated a farm in Antioch from 1942 until 1957, then had been employed as a maintenance man by N.H. Engle and Sons, Inc. at Lindenhurst from 1957 until his retirement in 1971. He married Gladys Lemker on June 15, 1935 at Libertyville. He was preceded in death by 1 brother.

Survivors are his wife Gladys, 1 sister and 1 brother, 2 neices and 1 nephew.

Funeral services were held at 3:00 p.m. Saturday at the Strang Funeral Home in Antioch. Rev. Warren Wilkewitz of the Libertyville Presbyterian Church officiated. Interment was in Lakeside Cemetery at Libertyville.

MR. BRUNO RINKE 74 years old of Indian Point near Antioch, Illinois passed away on Wednesday, February 7th at Condell Memorial Hospital. He was born November 21, 1898 in Kunzendorf, Germany and came to the United States in 1930 to reside in Chicago, until moving to Antioch in 1953. He had been employed as a machinist by Trojan Manufacturing Company in Chicago until his retirement in 1964. He married Maria Immich on June 6, 1921 at Altheide, Germany.

Survivors are his wife Maria - 1 daughter Mrs. Charlotte (Marshall) Peterson (Antioch) 1 sister and 2 brothers in Germany. Also, one grandson, Raymond Peterson.

Funeral services were held at 1:30 p.m. on Saturday, February 10 at the Strang Funeral Home in Antioch. Rev. Ray Kotwicki of the Salem Methodist Church officiated. Interment was in Hillside Cemetery.

MRS. EDITH V. GOOD 78 years old of 422 Harden Street, Antioch, Illinois passed away Saturday February 10 at Victory Memorial Hospital. She was born Jan. 27, 1895 in Pensaukee, Wis. and moved to Weyerhaeuser, Wis. in 1920 then to Ironwood, Michigan in 1939 and to Antioch in 1940. She is a member of the Antioch Methodist Church and the W.S.C.S. of that church. She had taught in the Antioch Grade School in 1945, and previous to her marriage for 5 years in Wisconsin schools. She married George E. Good on Sept. 23, 1920 at Menominee, Michigan. Mr. Good was depot agent at the Lake Villa station prior to his retirement.

Survivors are her husband George E. Good, 2 sons Gordon J. Good and Stuart A. Good, 4 sisters and 5 grandchildren. She was preceded in death by 1 brother and 2 sisters.

Funeral services were held at 3:00 p.m. on Tuesday at the Strang Funeral Home in Antioch. Rev. L.H. Messersmith of the Millburn Congregational Church officiated. Interment was in Hillside Cemetery at Antioch.

MR. ANTON F. SKIBA 68 years old of Camp Lake, Wisconsin passed away Saturday, February 10th at St. Catherine's Hospital after a short illness. He was born August 2, 1904 in Cleveland, Ohio, and moved to Camp Lake in 1948. He retired in 1969 from American Motors where he was employed in Dept. No. 838 since 1949. He is a member of Local No. 72 of the U.A.W. He married Alvina Sykora on November 3, 1926 at Cleveland Ohio and she preceded him in death on Dec. 10, 1968. 1 brother and 2 sisters also preceded him in death.

Survivors are 1 son Francis Skiba and 2 daughters, Mrs. Norman (Mildred) Stockwell and Mrs. Arnold (Florence) Dahl, 2 brothers, 2 sisters and 15 grandchildren.

A funeral mass was held on Monday at Holy Name Catholic Church in Wilmet. Interment was in Holy Name Cemetery at Wilmet.

THANK YOU

We would like to thank all our friends and relatives, Mr. Strang of Strang's Funeral Home and Reverend Warren Wilkewitz of the Presbyterian Church, Libertyville.

A special thank you to the Antioch Rescue Squad, to all the wonderful neighbors on Gary's Drive and to Barb Rush for all their comfort and help at the time of our loss of husband and brother, Harry S. Wallace.

Christian Science Churches

What are the demands of God-given freedom? This question will be considered Sunday at Christian Science church services in a Lesson-Sermon entitled "Soul".

In Luke 7 we read of Jesus raising the dead son of a widow, to life. "Jesus never asked if disease were acute or chronic, and he never recommended attention to laws of health, never gave drugs, never prayed to know if God were willing that a man should live. He understood man, whose Life is God, to be immortal, and knew that man has not two lives, one to be destroyed and the other to be made indestructible", a citation to be read from Science and Health with Key to the Scriptures by Mary Baker Eddy states.

Services at First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois, begin at 11 A.M. All are welcome.

Russ Lasco, Jr. poses with his trophies from a hunting trip to Englewood, Tennessee. Hunting on a 1,000 acre preserve for two days, he bagged a Mona-kea Ram (imported from Hawaii) No. 1 of it's class; a Spanish Goat, No. 2 of its class; a Catalina Goat, No. 3 in it's class.

There were over 200 heads at the local taxidermy shop of different animals at the time he took these. Needless to say, it was the best hunt he's ever been on.

MILLER WINS DOG N SUDS MERIT ACHIEVEMENT AWARD

Jerry Miller, owner of Dog N Suds restaurant in Ingleside, Illinois, was presented with a Merit Achievement Award during the franchise chain's 20th Annual Convention, held recently in Arlington Heights, Illinois.

The award, presented by Frank Crowley, president of Dog N Suds, Inc., was made in recognition of the high standards and quality of food served by Miller's restaurant. These standards are established by Dog N Suds, a pioneer in the fast food industry, which was approximately 400 drive-in and sit-down units in 35 states with annual sales volume more than \$45 million.

Dog N Suds, among the nation's top ten in its fast food area and with one of the widest menus, celebrates its 20th Anniversary this year.

Citizens Action Party Candidates are shown studying flooding in the Parkway Avenue area. Robert C. Wilton, (Center) village trustee and candidate for mayor, is pictured inspecting the area with Michael J. Haley (left) and William H. Seemann, candidates for village trustees.

Flood control is a problem in Antioch. Many areas in the village are suffering from inadequate storm sewers. And in many areas water has eroded streets and flooded private property.

One of the areas in the village that has needed immediate attention is Parkway Avenue. Water from land surrounding the area has drained down to Parkway Avenue causing a flooding of property.

The Citizens Action Party, as part of their proposed platform, will develop and implement an overall storm water plan that will eliminate excessive flooding in many areas of the village.

Flooding is a problem in many villages in the surrounding area. Especially in the spring of the year when the ground thaws. But this past year was a prime example of inadequate water control because of the excessive rainfall during the summer and fall seasons.

A planned approach to water control in all areas of the village will eliminate flooding and protect taxpayer's property.

HASTINGS Y TEAM DOWNED BY WESTOSHA TEAM

On Sunday, February 11th, the Hastings YMCA Hockey League met teams from the Westosha Hockey Associates. The Hastings' Jr. Division had their problems, suffering a 10-1 loss. Wayne Brooks of Wildwood finally put Hastings on the scoreboard in the third period; while Westosha had 4 goals in the first period with Jay Schnurr, Neil Schnurr, Steve Hartman and Doug Jackson with one goal each. With a shut out still going in the second period Westosha went on to pad the lead with Andy Hildebrandt scoring 2 goals and Alfred Fuchs and Jay Schnurr one apiece. The third period Hastings held the Westosha team down to two goals; scoring were Alfred Fuchs and Gary Gehrke. Doing a fine job in the nets for Hastings were Dave Krostol, Bob Skopek, and Gary Wiczarek.

The two o'clock game pitted the YMCA Camp Hastings' Senior division team against the Westosha Seniors. The final score of this game was 8-1 with the Westosha team on top. Hastings' goalies Bob Rendo and Larry Hill played staunch goal for Hastings, however with a "Hat Trick" by Ed Zaitz, two goals by Greg Hartman, and one by each Ted Gehrke, David Zaitz, and Hans Fuchs, the Westosha team went on to an impressive win. The lone goal for Hastings was scored by Tom Ingoglia. In the nets for Westosha were Jeff Lois, Alfred Fuchs and Bill Miller.

YMCA Camp Hastings director, Hank Bessler would like to thank the Westosha Hockey Association under the direction

of John Schnurr, coach, president, and chairman of the Association, along with Ed

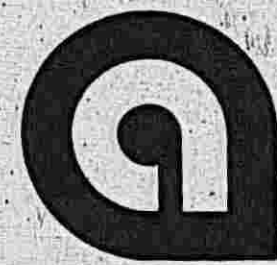

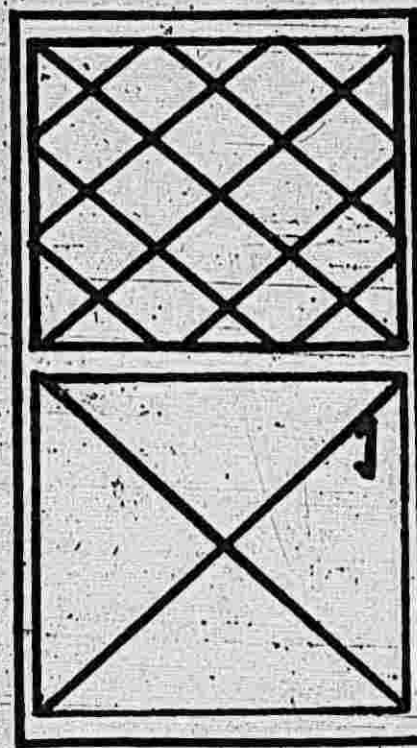

Zaitz, treasurer, and Don Laing Secretary, for inviting his boys to share their afternoon.

With a Stern Eye

Lake County, third largest in the state, has some difficulty getting its problems understood by the County Clerks' Association. Inasmuch as neither DuPage nor Cook participates in the Councils of that group, Lake remains the great frog in the pond. Slipperiest too, the other County Clerks seem to figure, looking at the sort of things we emphasize up here. Opening on Saturdays and making an issue out of Election savings is city slicker kind of stuff apparently.

Just the same, when I went down to Dixon last week to meet with the other Clerks in Zone 4 (approximately the northernmost third of the state) I was comforted by the areas of common cause we share, they and I, rather than by the gulfs that separate us.

We were about 35 strong, sitting around the tables in the motel's meeting room, but only a few of us did much talking. I blush to say that I spoke as much as any. I like to think it is because I have strong feelings and opinions about the Election Code, but it's possible there is another answer.

The only area that drew unanimous fire from the Clerks (their deputies, wives and etc.) was that section dealing with a countywide, pre-election canvass of registered voters (Section 4-57, 58 and 59). This gave us all fits trying to envision its possible implementation. It would require that two election judges, one from each of the two parties would have to make a house-to-house, every-voter canvass of their precinct a specified number of days before a General Election. Where the registration list can be verified by that personal call, all is well. If there is no one home at a given house however, a notice is left which would require the voters in residence to follow through with a specified procedure or risk cancellation of their registration.

The Clerks were as one in their rabid opposition to this provision of the new code. Actually, it was already a provision of the old code, applied to Cook County only - but one of the reasons for writing the new code was to bring all the counties of the state into uniformity with one another. Not only did we feel that our Election Judges would not be willing, for any amount of additional money, to trek through their precincts ("Why it would take weeks to call on every voter down our way," said one Clerk wrathfully) - there was also a reassuring feeling that it was not in the spirit of the democratic system to be going to so much trouble and expense to CANCEL a registration. "Better that effort should be put to canvassing for new registrations," snorted a woman across the table from me. We nodded and smiled at one another and I felt more at

home every moment.

Although not unanimously, many agreed too, that the requirement of a notarization on absentee ballot applications was an unnecessary road-block to convenient voting. Strong words were voiced about the need for a doctor's notarized signature on such application for a handicapped voter. I mentioned that a youngster, voting for the first time in Lake County (by absentee ballot) had pointed out that having to pay a notary for two different documents in order to vote was no different than a poll tax. I found it a hard statement to answer at the time - and still do.

One part of the new code states that a voting precinct must get no longer than 800, nor smaller than 400. After I had given our reasons for wanting to 'up' the number to 1200 maximum and I thought I did it rather well, not too much emotion, but just enough - I discovered the source of the communications gap. After everyone had shaken his head in turn, mumbled 'no' or 'never' or 'why, for heaven's sake', a man near me said:

"In our county we're going to have trouble with the minimum. In order to get 400 registered voters into one precinct we'll probably have to cross township lines - and I'm sure that's illegal."

The Winnebago Clerk, noted that at present the re-drawing of precinct boundaries was the responsibility of the County Board, but that if the new Code passes, it will be the Clerk's job. "Many of my precincts are in violation right now, so I might as well get busy."

"I'll bet they've been that way a long time, Paul, and no one's gone to jail yet," said one old gentleman. Several of us chuckled.

"Some members of my board are going to be intent on getting me to jail," he said, winking at me. The hair on the back of my neck twitched slightly. Paul Gill is the first Democrat elected Clerk in the history of Winnebago County....

Drawing with charcoal.....
Charcoal is great for all kinds of drawings, especially portraits. You will need special paper which has a texture that holds the charcoal dust, the charcoal, sandpaper or emery boards, kneaded eraser, stumps, and fixative. Charcoal is wood that has been carefully burned. It can be bought in square or round sticks, or vines, which are made from natural vines instead of cut lumber. It comes also in pencil form, but is not as good quality as the pure sticks. An assortment of soft, medium and hard charcoals is best to have, for that gives you variety in shading and you need the

hard for fine detail. The sticks can be sanded to fine points as you need, or used broadside for large areas of shading.

A drawing is usually started with very light lines which are easily erased or rubbed out with a chamois. Never use pencil as the lines would show through the charcoal dust. As the light lines in charcoal take final form, areas can be massed in and rubbed either with the fingers or the stump, which is a tightly rolled cigar-like shape of paper. Be sure your fingers are clean or else greasy fingers will lift the charcoal from the paper. While you are drawing hold the kneaded eraser in your other hand, so that the heat of your

hand will soften the eraser so you can shape it into either a point or razor edge, for picking out highlights or white lines. You can dab at your drawing to lighten any areas, or erase down to the white paper. As the eraser gets dirty with the dust, simply fold in the dirty part and knead it some more. A kneaded eraser will hold a lot of dust, before it has to be replaced.

When a charcoal drawing is finished, it should be sprayed with fixative, from an aerosol can or from a bottle using a mouthblower. No matter which you use, hold the container about a foot from your drawing, so a fine mist is covering the charcoal drawing; too close and large drops of the fixative will make ugly light spots in dark areas and dark spots in light areas. Spray with continuous motion, giving several coats, allowing about a minute's drying time between coats. Test by lightly touching a dark area with your finger. If the charcoal doesn't lift up, then you have sprayed sufficiently. Like pastels, charcoal drawings need to be matted and framed under glass.

I like to use charcoal for my thinking medium, because it is so easily erased by dusting off with a chamois or tissue. Try it for trail runs for spacing lettering and centering words in posters, for planning compositions to be done in other media, for coating the underside of a drawing you need to transfer to other paper and lastly, for the under drawing on canvas for oils or acrylics. Go over the lines with diluted color and then dust off the charcoal. Do not spray the canvas with fixative, as this ruins the binding quality of the gesso ground of the canvas.

Happy Charcoal Drawing

Next week: EXHIBITING YOUR WORK

TONY & LIL SEMI-RETIRED

Mr. and Mrs. Anthony Lomma, better known as Tony and Lil, have now gone into semi-retirement after 25 years in the restaurant business. They have been operating the Tony and Lil's Restaurant and Bar on Rte 83 in Antioch for the past 8 years.

In January the Lomma's shut the doors of their familiar restaurant and when they opened again this month a few changes could be seen. The

restaurant has been turned over to the Lomma's son, Tony, their daughter, Toni, and her husband, Doug Burke. Beside the change in management, there is a brand new interior which has to be seen to be appreciated.

However, one thing has remained the same - the excellent cuisine that made Tony and Lil's the familiar household name in the Antioch area.

DEMOCRATIC WOMEN TO MEET

The Democratic Women's Club of Lake County will hold its first meeting of 1973 at 8:00 p.m. on Thursday, February 15, at Democratic Headquarters, 215 Madison Street, Waukegan.

The program for the evening will be a panel discussion entitled "Women in Politics." The panelists will be County

Clerk Grace Mary Stern, County Board Members Bertha Ogrin, Mariellen Sabato, and Millicent Berliant, and Thelma Sandee, College of Lake County Board Member.

The Club's president, Robin Seidenberg, invites all interested Lake County women to attend.

NEW at Antioch's Orchard Plaza Shopping Center

NEW SERVICE STATION OWNER HARRY WEITZ IS OUT TO SHOW YOU HE CARES -- TRY HIM & SEE

Lower Prices, Discounts, Prizes, Better Service are Harry's Sneaky Way of Winning YOU Over...and you'll love every minute of it!

You've just bought a service station. You like people...you're a hard worker...and you want to make it the most successful service station in the entire Antioch area. What would you do?

Harry Weitz, a longtime resident of this area, recently became the new owner of the modern, completely equipped service station at Orchard Plaza shopping center in Antioch. And the first question facing Harry was: how to win you over!

Right now, take a minute to glance through the goodies Harry has assembled here to SHOW you that he CARES. Then, next time you're up Orchard Plaza shopping center way, perhaps to bank or visit the A & P, stop in and try him. If you aren't delighted, then, by golly, it will serve Harry right for bungling his one chance to please you. But we think you'll be real pleased that you gave Harry a try.

See you soon!

DISTRICT WRESTLING TOURNAMENT AT ACHS

This weekend the Wrestling Sequoia will participate in the Illinois High School Association District Tournament. Antioch will be hosting the tournament for the first time and they are also hoping to win it for the first time. Coach DeRousse feels they have a pretty solid chance to do so.

The meet will begin at 7:00 Friday night and be continued at 1:00 on Saturday afternoon with the finals at 7:00 that night. Seven high schools will be competing in the tournament. They are: Antioch, North Chicago, Zion, Waukegan, Warren, Grayslake, and Round Lake.

SOPH BASKETBALL TEAM WINS 18TH GAME

The Antioch Sophomore basketball team won its 18th game of the season Friday evening by defeating a stubborn Round Lake squad by the score of 36 to 33. In a close and exciting game with the lead changing sides several times in the contest, Antioch came up with a good team effort in the final two

minutes of the game to gain the victory. Bruce Tossey put in two freethrows in the closing minute of the game to clinch the game for the sophs.

Mike Perrone led the scoring with 11 points followed by Larry Smith with 9. Mike Witt and Kevin Walpole each added six points for Antioch.

WHERE THERE IS A WILL continued from page 4

Golonka, who is the treasurer of the association, and has done much to keep the program going.

Students in the band now pay 50 cents a lesson or \$1 a week. The rentals for the equipment and facilities must be paid for so the additional 50 cents covers this cost.

Ozga commented that the co-operation has been wonderful, especially from school administrators, Mr. Meyer and Mr. Herbst.

Mr. Meyer and Mr. Herbst were equally co-operative in lending a hand to the parents who wished to sponsor a basketball and wrestling team at the Upper Grade School. The teams are being sponsored by the Antioch Boys Football, which is headed by Leo McGrain.

When sports were eliminated from the curriculum at the Grade school, several of the eighth grade boys got together and started their own team. The team played and beat Emmons, but ran into many roadblocks, for instance, they needed a place to practice. McGrain and Harold Francke contacted the schools and through their help made the necessary arrangements.

At this time 55 boys meet at the Upper Grade School every Monday and Thursday night, and a make shift schedule with schools in the surrounding area has been set up. They have had some conference games and hope to get more. The basketball team has been holding their own and the wrestling team has beaten Lake Villa and Wauconda, and tied with the powerful Zion Central Junior High.

Gary Arne is the wrestling coach and is doing an outstanding job. Don Zeeman and Tom Poulos are coaching the 30-35 boy basketball team.

Last year both the 7th and 8th grade basketball teams won the conference, but this year the players have been handicapped by lack of practicing time and by the fact the program began two months after the season was under way.

McGrain cited some of the

problems they have had running the sports program independent of the school. The greatest problem, he said can be seen at the home basketball games due to the lack of parental supervision. There has also been a problem lining up opponents. When Antioch dropped their sports program, they were consequently dropped from previous schedules.

McGrain said, "Antioch's Boys Football realizes this isn't the complete way to run a grade school's sports program and that it can be handled much more effectively and successfully through the school system itself. The physical problems of running the program out of the school are tremendous, it takes a great deal of time and there are problems with access to the buildings, scheduling, conflicting dates with other organizations and on and on."

The wrestling and the basketball teams are spurred on by many happy cheerleaders, thanks to the efforts of Mrs. Jan Kut, and Irene Nevitt, who sponsor the girls. Also Mrs. Marcia Fox who works with them on learning their cheers.

These women set up a time for practice session and then a try-out. 87 eager girls came to the practice session and 63 of them showed up for the tryouts. The try-outs were presided over by five girls, who did not know any of the girls and they went by numbers rather than names. Nine 8th grade girls and 13 7th grade girls were selected.

The seventh grade girls are divided into two squads, and each squad cheers for half a game. The 8th grade girls cheer for the entire 8th grade game. All of the girls take turns cheering for the wrestling team.

The mothers of the girls have been helping to chaperone the games and practices along with providing transportation.

Mr. Leo McGrain's comments based on his experience sponsoring the sports program should not be excluded from this story.

He said, "It is our sincere hope that in the near future a referendum can be passed so

that the sports program along with the other cuts that have been made can be reinstated. The lack of interest by some parents in their children's development, be it in sports or in any other area at this level, is very disappointing. The parents who think they are getting something for nothing, should realize they are only cheating the kids, because of the incompleteness of the programs."

EMPLOYMENT SURVEY HERE

A sample of households in this area will take part in a nationwide survey on employment and unemployment to be conducted the week of February 19-23 by the Bureau of the Census, Forrest P. Cawley, Jr., Director of the Bureau's Data Collection Center in Chicago, announced today.

The survey is taken monthly by the Bureau for the U.S. Department of Labor. The households interviewed are scientifically selected to represent a cross section of all households.

YOU'RE NOT A VICTIM OF WEATHER.

MATMEN BECOME CHAMPS

The Antioch Sequoit Wrestlers have become the Conference Winners again last weekend as they won the Northwestern Suburban Conference for the 3rd time in the last 5 years. Wrestling Coach DeRousse said they won the conference due to team depth and they were able to place in 11 out of 12 weight classes.

DeRousse also commented that the fans from Antioch outnumbered everyone by at least two to one. The crowd began cheering Antioch fifteen minutes before the finals began and they continued their cheers

throughout the whole meet. DeRousse said he thought some of the wrestlers did a better job because they were spurred on by the incessant cheering.

Seniors John Thain at 138 lbs. and Andy Feldman at 145 lbs. can be cited for their excellent performances.

Individual place winners in the conference were:

98 lbs. Benny Garcia, 2nd place
 105 lbs. John Roberts, 1st place
 112 lbs. Dirk Dietz, 3rd place
 119 lbs. Keith Larsen, 3rd place
 126 lbs. Dennis Dyer, 4th place

132 lbs. Steve Shaffer, 1st place
 138 lbs. John Thain, 1st place
 145 lbs. Andy Feldman, 1st place

167 lbs. Tim Staples, 2nd place
 185 lbs. Larry Yopp 4th place
 HWT Tom Rayniak, 2nd place

The tournament placings were as follows:

1st - Antioch, 128 pts
 2nd - Grant, 104½ pts
 3rd - Grayslake, 88½ pts
 4th - Warren, 77 pts
 5th - Round Lake, 47½
 6th - Lake Forest, 45 pts
 7th - Wauconda, 8 pts
 8th - Lake Zurich, 4 pts

The Sequoit wrestlers won the Conference Tournament for the third time in the last five years this weekend. They are (l to r) Front Row: Tom Rayniak, John Roberts, Dirk Dietz, Benny Garcia, (Back Row) Tim Staples, Coach DeRousse, Andy Feldman, John Thain, Steve Shaffer, Keith Larsen, Larry Yopp, Dennis Dyer and Manager Jim Fischer.

SOPH WRESTLERS WIN N.W.S.C. TITLE

For an unprecedented third year in a row, the Antioch Sophomore wrestlers are the Northwest Suburban Conference Champions! They won a very exciting conference tournament held on Saturday at Lake Zurich, Illinois. The win capped a great season which saw the Sequoits finish with 18 wins and 1 loss, the best record ever at the sophomore level in a single season at Antioch High School.

The Sequoits began the tournament by advancing eleven of twelve wrestlers through the first round. At this point it looked like Antioch would completely dominate the tourney. The semi-final round was a disaster for the Sequoits, as eight of the eleven Antioch wrestlers tasted defeat. Only Dennis Thain, Mike Jones and Rich Coari advanced to the championship match. While the Sequoits were slipping, the Round Lake Panthers kept coming and finally took a slim 91 to 87½ lead going into the final round. The final round was all Antioch - as the Sequoits scored a whopping 25 points compared to only 4 points for Round Lake. Sophomore coach, Steve Wapon was very excited about the strong Antioch finish, "I really thought we were in trouble after getting bombed in the second round and Round Lake moving into the lead. The kids just refused to throw in the towel, and did they ever wrestle the final round! Eight of our wrestlers came back to win third place points, and Dennis Thain and Mike Jones won their weight class championships. It was really exciting to watch the team pull together and win when they had to!" A lot of credit for team success must go to David Kisner, John Mehlhorn, Bill Hogan and Rich Coles. These men were injured early, and were out of action for the season. The final team scores and Antioch place winners are:

Team Standings

Antioch 112½
 Round Lake 95
 Grayslake 81
 Warren 64
 Lake Forest 57
 Wauconda 42
 Grant 38

SEQUOITS LOSE TO ROUND LAKE IN OVERTIME

The top game of the Northwest Conference season was played Friday evening, with Round Lake earning a hard fought 52-49 overtime decision over the fighting Sequoits.

The game was 2 minutes old before Vic McGuire scored the first basket of the game to give Antioch the lead they held til mid-way through the 3rd quarter. From that point on the lead changed hands nine times, with neither team leading by more than 3 points.

With 1:12 showing on the clock, the Sequoits gained control of the ball, trailing 47 to 45. The Sequoits controlled for the good shot, til only 23 seconds remaining, Tim Mieure let fly a 20 footer to tie the score. Then with only 10 seconds remaining, John Janosko intercepted a bad pass and the Sequoits called time out. A play was set up for Tim Mieure, but as he moved down the side line with the ball, he slipped, but regained control of the ball. At this point only 2 seconds remained, he let fly a 35 footer that bounced off the rim as the game ended.

In the over time, Round Lake controlled, as the Sequoits just couldn't find the basket.

It was an excellently played game by both teams, with defense the big factor. Coach Roger Andrews said "It's too bad one team had to lose - as it was a super game. I am extremely proud of the squad as they worked real hard for the victory, but it just wasn't in the cards."

Andrews further stated "Vic McGuire played a beautiful

game as did Mike Gutowski. Mark Andrews did all he could to try and stop Bill Sweiton, and he did force Sweiton into a poor shooting eveing, 13 out of 30 attempts. However, the Round Lake team went to him so much he just couldn't be stopped completely." "Tim Mieure was covered by 2 men most of the evening and fed off to Vic McGuire, as did Mark Andrews to Mike Gutowski. Fred Popp helped with the ball handling and played some very good defense."

"I am sure the team will bounce back from the defeat and do real well in our final 3 games of the conference," Coach Andrews said. "I would like to thank all the Antioch fans for the fine support, the crowd at the game was just SUPER and the coaches and players really appreciate it."

"THANKS ANTIOCH."
